

2.6.2 Attainment of programme outcomes and course outcomes are evaluated by the institution.

The College regularly evaluates the performance of students through various methods for measuring the attainment of each of the Program Outcomes, Program Specific Outcomes and Course Outcomes.

Evaluation Process: The programme outcomes and Programme Specific outcomes are assessed with the help of course outcomes of the relevant programme through direct evaluation process. It is provided through University Examinations, terminal exams, internal and home assignments, unit tests, surprise tests, open book tests, etc.

Throughout the year the faculty records the performance of each student on each programme outcome. At the same time remedial coaching is also provided to slow learners to make pace with the desired progression.

Average attainment in Evaluation Process: Students under university examination were evaluated through annual of end semester examination and internal examination. The criterion for this is given below.

(I) Regular Courses B. Sc and B.Com Yearly courses. : Only annual examination by the University of Lucknow.

(II) Regular Courses B. Sc and B.Com Semester wise courses. : End semester Examination by University of Lucknow 80% and internal assessment by college 20%.

(IV) All courses according to new education policy semester wise examination by university of Lucknow 75% and internal assessment by college 25%.

Students enrolled for Add On/Certificate Courses offered by the institution are evaluated by the institution itself. At the same time, observations of student knowledge and skills against measurable course outcomes are evaluated throughout the year.

The Methods of measuring attainment:

1. Annual and End Semester University Examination: The affiliating University conducts examinations as per semester and annual pattern through which the institution measures programme outcomes based on the course attainment level fixed by the programme. It is a direct evaluation process.

2. Institutional Examination and Tests(Internal assessment) : Students are assessed and evaluated throughout the year at college level through unit test, surprise test, terminal examination and the performance of the student is analyzed for assessing the attainment level of programme outcomes and programme specific outcomes.

3. Feedback Evaluation: The College collects feedback from students, Alumni, Employers and Parents which is an important method of measuring attainment with objectives of identifying the attainment level of students in terms of programme, subject, and course and syllabus outcomes and to understand the impact of teaching learning process.

4. Internships: Students are encouraged to take up internships, projects, fieldwork, etc. This helps them to obtain necessary skills and practical experience in their chosen discipline.

5. Placements: One of the most important Programme Outcomes of Undergraduate Degree is the employability of students upon successful completion of their degree programme. The college has a vibrant Placement Cell, which caters to the demands of companies from different sectors.

6. Higher Studies: Another parameter to measure attainment of POs, PSOs and COs is through progression of students towards higher studies in educational institutions in India such as IITs, IIMs, and for post-graduation in Indian and Foreign Universities.
