### NOTICE

#### One Week National Faculty Development Programme on 'Research Methodology & Quantitative Data Analysis Using SPSS & AMOS'

This is to notify that a 7-day Faculty Development Program (FDP) is being organized by Lucknow Public College of Professional Studies from 5th to 11th December, 2019.

The Details of the FDP are as follows:

1. **Title of FDP:** "Research Methodology & Quantitative Data Analysis Using SPSS & AMOS "
2. **Dates:** December 5th, 6th, 7th, 8<sup>th</sup>, 9<sup>th</sup>, 10th & 11th of December, 2019.
3. **Time:** - 10:00 AM – 05:30 PM on all days.
4. **Resource Persons:**  
Prof. A.K. Sengupta,  
Prof. Masood H. Siddiqui,  
Dr. Shailesh Kaushal &  
Mr. Sanjay Medhavi.
5. **Target audience:** Research Scholars, Faculty members, Students across disciplines
6. **Registration Fees:**  
Research Scholars Rs 2,500 per participant  
Faculty/ Industry Rs 3,500 per participant

For payment related query contact: Mr. Mayank Singh- 07652013093

### Preamble

The Secret of economic development has been persistent quality research, it unfolds new truth for any topic. Research is key factor for innovation and development. This FDP is proposed to enhance the skills and research capabilities of budding researchers. Further this programme aims to improve analytical skills of participants on SPSS and AMOS.

### Course Objectives

- Upon completion of this course, the participants will be able to:
- To develop capacity for conceptualizing various research processes and gain insight into research phenomenon among newbies.
  - To Enhance skills to prepare an appropriate research design, including systematic review of literature, formulating research questions and hypotheses, collection of data and its basic and advanced analysis through SPSS and AMOS.
  - To provide greater exposure of various research methodologies available for conducting research.
  - To improve capacity of attendees for writing Doctoral thesis and research papers in reputed journals.
  - Application of research methodology in social science and management

### Course Content

- Types of research, Literature review, Hypothesis formulation etc.
- Data entry into SPSS, Managing data, Graphs etc.
- Parametric Tests: Independent t-test, Paired t-test, ANOVA, Repeated measures ANOVA
- Nonparametric Tests: Mann-Whitney, Wilcoxon rank, Kruskal Wallis, Friedman ANOVA, Chi-square test
- Exploratory Factor Analysis
- Multiple Regression Analysis, Discriminant Analysis, Logistic Regression, Cluster Analysis,
- Confirmatory Factor Analysis And Testing of Structural Equation Modeling With AMOS
- Research Report Writing & Publication.

### Special Features of FDP

Tailor made guidance will be provided to the participants regarding their specific researches and problems which they encountered during preparing their doctoral thesis and research work.

### Target Audience

Academicians, Professionals, Research scholars from any discipline who need to enhance their conceptual and analytical skills regarding research methodology and academic writing. This course will be useful for their future research and academic endeavors.

### Registration Fee, Account Name and Number

A registration fee :

\*Research Scholars = Rs. 2,500

\*Faculty/Industry = Rs. 3,500

The registration fee should be paid through online mode.

The details for payment is given below:-

Account No. : 917010072794835

A/C Holder : LUCKNOW PUBLIC COLLEGE OF PROFESSIONAL STUDIES A/C STUD WELF FUND

Name of Bank: Axis bank

Branch: Gomti Nagar, Lucknow

IFSC Code: UTIB0001550

For any payment related query contact:

Mr. MAYANK SINGH - 076520 13093

Registration fees include participant's kit, breakfast, lunch, course material and soft copy of resource person's lectures.

Scanned copy of the application must be sent along with online transaction number to :- [infocps@axmail.com](mailto:infocps@axmail.com)

Selected participants will be intimated over email. Total number of participants is restricted to 30

Note:-

- No accommodation will be provided.
- No TA/DA would be provided to the participants.

### Important Dates

Last date of registration: 2nd December, 2019.

### About College

In a caring and positive environment, LPCPS provides education to empower students to recognize and optimize their full potential, to achieve personal standards of excellence in academic work as well as in supportive areas of physical, cultural and social development, inculcating civic and human values.

Firmly believing in academic excellence, intellectual integrity, development of skills and compassion to mould students to act as agents of change, the institution has

evolved a set of objectives that synchronizes the vision and mission of the national higher education policies. In that direction it has, as its thrust areas, promotion of quality in teaching, learning and research, encouragement of objective self-evaluation, accountability and innovation in higher education and encouraging research activities. Progressively introducing popular academic programmes, the institution has ensured the use of latest technology to support the vision and mission statement of the institution. The students and teachers are sent for special training and seminar programmes in reputed institutions. The faculty members and students take part in Community Development Programmes. The institution aims not only to inculcate job skills in students, but acknowledges for being responsible for the growth of community at large. All such activities lead to the inculcation of strong spirit of team dynamics and leadership in the youth of today propelling them to become dignified citizens in the highly competitive environment.

### Organisers

- Dr. S.P. Singh, Manager, Lucknow Public Schools & Colleges (Patron)
- Dr. L.S. Awasthi, Dean Academics, LPCPS (Convener)

### Resource persons:

**Prof. A.K. Sengupta:** Eminent academicians and researcher. Ex. Pro Vice Chancellor, and Head of Department of Economics, University of Lucknow.

**Mr. Sanjay Medhavi:** He is Head of the Department of Business Administration, University of Lucknow. He has contributed extensively in National and International Journals on various contemporary areas of Management. He conducts corporate training programmes besides delivering lectures, keynote addresses and acting as a resource person in MDPs and workshops.

**Prof. Masood H. Siddiqui:** He is a Professor in the area of Decision Sciences and Operations in Jaipuria Institute of Management, Lucknow. His area of expertise is Multivariate Data Analysis. He has co-authored the famous book "Statistics for Management" (Person Publications).

**Dr. Shailesh Kanshal:** He is an Assistant Professor at Department of Business Administration, University of Lucknow. He has high proficiency in statistical software such as SPSS, AMOS, Process Macro, SmartPLS, EViews, and Gretl and uploaded several lecture videos on YouTube. Mobile:-09415523233.

## Outset

The secret of economic development has been persistent quality research; it unfolds new truth for any topic. Research is key factor for innovation and development and it has been found that the quality of Research-output has been far from the much needed standards. A Research-work must act as a catalyst for further researches to be undertaken in the said field. The quality of research depends on the understanding of the Research-problem and the output is significantly based in the appropriate research-tools used for the data-collection and its analysis. Management, Humanities or Social-science Research assumes significance from the nature of problem being identified and the possible solutions, since, it has a larger impact on the day to day activities of the common-man. Hence, a work carried out with accuracy in the results majorly determines the future of this knowledge-driven world.

In this backdrop, Lucknow Public College of Professional Studies takes the initiative to organize One Week National Faculty Development Programme on 'Research Methodology & Quantitative Data Analysis Using SPSS & AMOS' and invites Faculties and Research Scholars in all streams dealing with social-issues and all the aspiring researchers to participate and deliberate upon the contemporarily relevant issues.

## Objective

The major objectives kept in mind while framing this Faculty Development Programme were as follows:

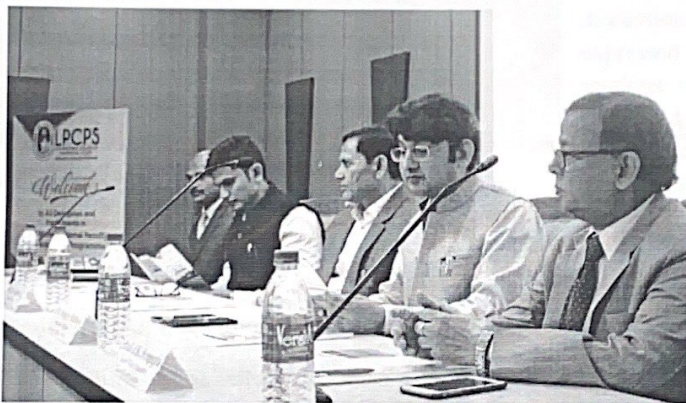

1. To understand what research is? And develop capacity for conceptualizing various research processes and gain insight into research phenomenon among new bees.
2. How to do review of literature to enhance skills to prepare an appropriate research design, including formulating of research questions and hypotheses, collection of data and its basic and advance analysis through SPSS & AMOS.
3. To provide greater exposure of various research methodologies available for conducting research.
4. To improve capacity of attendees for writing Doctoral thesis and research papers in reputed journals.
5. Application of research methodology in social science and management.

## Summary of sessions in the Workshop

### Inaugural and sessions of 5th December 2019

One Week National Faculty Development Programme organized at the Lucknow Public College of Professional Studies on "Research Methodology and Quantitative Data Analysis Using SPSS and AMOS" scheduled from - December 5-11, 2019 has started. The Workshop commenced with the inaugural session by garlanding MAA SARASWATI and lightening of lamp. The session commenced with the welcome speech of **Dr. L.S. Awasthi**, Dean Academics, LPCPS formally welcoming the guest and key speakers. **Shri. S.P. Singh**, Manager, LPCPS welcomed the distinguished participants from various disciplines and institutions. He threw light upon the need for Research Methodology Workshop and discussed about the importance of Research in today's scenario.

**Dr. S.K. Kaushal**, Assistant Professor, LUMBA gave a brief outline of the programme and laid emphasis on the quality of the research that needs to be done by the academicians and explains appropriate and suitable methodology to be adopted while doing the Research Program. **Sanjay Medhavi**, Professor, LUMBA enlightened the participants about the way one needs to do the research.

The session proceeds with the first technical session by **Prof. A.K. Sengupta**, Ex. Pro Vice-Chancellor, University of Lucknow. He laid stress on the sources, objectives, meaning of words for effective communication of research and proper referencing. He also discussed about the qualitative and quantitative methods of measurement and information

overload. The second technical session proceeds with explaining the importance of Review of Literature in the Research by **Dr. S.K. Kaushal**. He emphasized on finding the Research Gap from the extensive Literature Review that needs to be done by the Researcher.

### Sessions of 6th December 2019

The second day of the workshop commenced with the interactive session of **Dr. S.K. Kaushal** on Research problem and design. He provided researchers how research questions formulate may precede conceptualization and will direct them what answers we are seeking for the study. In the continuation of the session, Dr. Kaushal provided the conceptual knowledge about

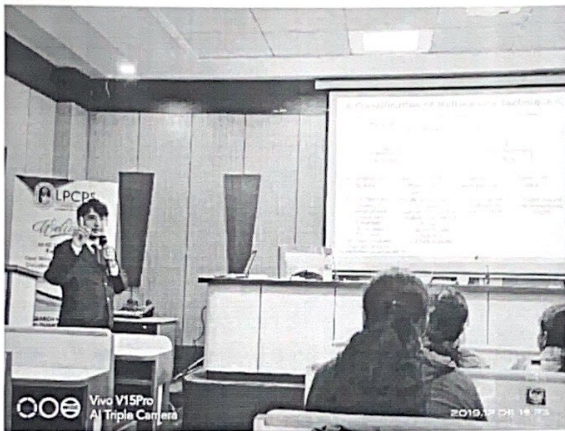

how to test hypothesis and parametric testing, Type I and Type II error in a brief. The **second half** session proceeded with enriching lecture on Questionnaire Designing and Scaling Measurement. The **afternoon sessions** of second day was planned to provide practical hands on training of SPSS to the participants. The speaker introduced participants about the basic concepts used to handle SPSS software and briefed upon its utility along with a comparison with Ms Excel's Data. The main objective of the session was to help a research scholar in doing his research work with SPSS.

#### Sessions of 7th December 2019

The morning sessions of day third of the Workshop was handled by **Prof. Sanjay Medhavi** (Head of

Department of Management, University of Lucknow). He discussed the relationship among reliability and validity and the complexities of testing the validity and reliability and cautioned the participants of the possible errors involved while collecting and validating the data simultaneously dealing with the other hurdles of doctoral research. Participants actively took part in the discussion conducted by the speaker and expressed their views. The post - lunch sessions was continued by **Dr. Himanshu** (Assistant Professor, University of Lucknow) an eminent expert with vast experience in case

study formulation. The session was case study development for the purposes of teaching, training and dissemination using recent best practices.

#### Sessions of 8th December 2019

Day fourth of the Faculty Development Programme was Assignment & Field visit day, in which the participants were asked to move to field to collect data regarding previously assigned assignment.

#### Sessions of 9th December 2019

The morning and afternoon sessions of **day fifth** of the Workshop was handled by **Dr. Masood Siddiqui**, Professor Jaipuria Institute of Management, Lucknow. The speaker introduced the concepts of categorical data used in Research. The speaker made the participants actively engage in the discussion and clarify the concepts of statistics with summary calculations and graphical and tabular displays. The speaker gave the training of handling the software to the participants.

During the afternoon session the speaker clearly exposed the purposeful writing targeted at a specific audience of a given academic field and constraints faced in report writing, key components in report writing to audience. In continuation with the session, **Dr. Masood Siddiqui**, also emphasised on importance of Statistics in Research. The session was concluded by highlighting the future prospects of being a researcher and later performing the duties of an academician.

#### Sessions of 10th December 2019

The morning sessions of **day sixth** of the Workshop was handled by **Dr. S.K. Kaushal**. The speaker provide training from the basic entry of data in excel to calculation of descriptive statistics, cross tabulation, checking normality, regression, correlation and to perform ANOVA in SPSS. He stated that this field is fast evolving with new techniques, mixed methods and applications emerging both from academia and practitioners. In their endeavor to do so, practitioners have resorted to using statistical techniques for data analysis to arrive some decisions.

The afternoon sessions of the FDP was the continuation of the morning session **Dr. Kaushal** focusing on practical hands on training of AMOS to the participants. The speaker introduced participants about the basic concepts used to handle AMOS software. The session concluded with individual interaction between the participants and the resource person.

### Sessions of 11th December 2019

The Lucknow Public College of Professional Studies, 1<sup>st</sup> FDP- Faculty Development Programme- 2019 concluded today with a valedictory function at LPCPS. The workshop was attended by Thirty- Two (32) participants from across the state. This includes Faculty members from B.H.U. Varanasi, Rajat Girls Degree College, Lucknow, Maharishi University of Information Technology, Research Scholars from AKTU, University of Lucknow & MJPRU Bareilly. All of the participants who attended this workshop were research scholars, faculty who were directly involved in research process.

The valedictory session was scheduled at 12 noon. It began with a brief outline of the sessions of the workshop by the workshop coordinator **Dr. S.K. Kaushal**. **Prof. S.K. Sengupta**, Ex. Pro Vice-Chancellor, University of Lucknow, addressed the concluding session of the Workshop. He reiterated that the imperative of organizing such workshop lies in improving the overall quality of research works of the participants. This was followed by a brief feedback session from the participants of the workshop. All participants expressed their satisfaction about the workshop and overall coordination of the faculties of the department as well as the whole program. Certificates were presented to the participants by the esteemed dignitaries. The workshop was concluded with a vote of thanks proposed by Dr. L.S. Awasthi. The program was concluded with happy note from everyone.
