ABOUT THE ORGANIZING CITY:

Lucknow is the capital of Uttar Pradesh, Lucknow has long been a seat of administration and culture. Second only to Delhi in importance in the region, and the seventh largest city in India, Lucknow is easily accessible from all major cities in the country. Its literacy rate is much higher than what it is in the rest of the state too. All this has ensured its prominence as a center of business and industry, education and research as well as tourism.

ABOUT THE ORGANIZING INSTITUTION

LPCPS is one of the most coveted colleges for admission for Degree Programs in the Northern India. The institute brings together knowledge, research and industry experience in one place and confers upon its graduates, professional degrees which are recognized globally.

Commitment to excellence is the top most priority of all the domains in the college - academia, training and skill development, placement cell, research wing, consultancy division are the most prominent among them.

The spectacular success achieved by the college in such a short time is the result of the foresight, exceptionally dynamic leadership and the able guidance of the visionary founder manager.

The highly talented and motivated team of professional educators and facilitators have made it their mission to make LPCPS one of the top most institutions in the field of professional education in the Asian continent.

LPCPS is established and managed by Lucknow Public Educational Society at Rajajipuram in the city of Lucknow. The society has made its name in the Indian subcontinent as a brand ambassador and a stalwart in the field of education. The strategic decision by the society to establish LPCPS as a sprawling campus in the posh and fast developed zone of Gomti Nagar made sure that, the teachers and students are able to enjoy the huge lush green setting and a panoramic location in a peaceful and conducive environment.
