Sample files for Special Academic Sessions

We organise various special academic sessions, inviting guest speakers, industrial experts, senior professors and bureaucrats to provide appropriate experience of industry and corporate ecosystem.

Significance:

1. Guest speakers make students aware of current business scenarios and situations. In a classroom students study about the concepts, however, guest speakers provide a broader view on the real-life problems faced by them in a particular niche and also present solutions.
2. An expert guest speaker makes a big difference in students ability to understand any topic. By attending lectures from guest speakers students learn to overcome different challenges and it becomes easier to nail down difficult concepts.
3. Students follow regularly scheduled classes and sometimes it can feel a bit monotonous and boring. Guest lecture breaks monotony and updates students' interest about career opportunities & career paths in new domains. Knowing about a better protective on future career sparks confidence and it inspires students to prepare not only theoretical concepts but also practicals which may not be included in the syllabus.

SESSION ON RAGGING IS A CRIME

Date: 07/01/2023

Session on Ragging is a Crime

Venue: Conference Hall

Brief about the activity:

'Ragging does not break the ice, it breaks lives.'

The NSS wing of LPCPS along with the Anti- Ragging Committee of LPCPS conducted a session on 'Ragging is a Crime' on 7th January 2023.

Ragging is a cognizable conduct of disorder for which the police can arrest the offender without a warrant. Over time, this heinous practice has caused deaths and suicides of many bright students in India.

LPCPS was and will always continue to spread awareness and ensure ragging does not take place in the college premises.
