REPORT ON

NATIONAL CONFERENEC ON RESEARCH IN EDUCATION, ENTREPRENEURIAL EMPLOYMENT & ECONOMIC DEVELOPMENT (NC-REEED 2023)

Organised by Internal Quality Assurance Cell (IQAC)

LUCKNOW PUBLIC COLLEGE OF PROFESSIONAL STUDIES

1. **Introduction**: The National Conference on ***Research in Education, Entrepreneurial Employment & Economic Development (NC-REEED 2023)*** was a significant event held from (June 26-28) at the computer Lab -2 of LPCPS. The conference aimed to bring together researchers, educators, entrepreneurs, policymakers, and industry professionals to explore the intersection of education, entrepreneurial employment, and economic development. This report provides an overview of the key highlights, themes, and outcomes of the conference.

2. Key Themes:

a. Education and Skill Development: The conference focused on the role of education in fostering entrepreneurial skills and innovation. Discussions revolved around curriculum development, pedagogical approaches, and the integration of entrepreneurship education at various levels. Emphasis was placed on equipping students with essential skills such as critical thinking, problem-solving, and adaptability to thrive in the rapidly evolving job market.

b. Entrepreneurial Employment: The conference explored the changing landscape of employment and the rise of entrepreneurial opportunities. Topics included the challenges and opportunities faced by entrepreneurs, strategies for creating a conducive ecosystem for startups, and the role of technology in enabling entrepreneurial ventures. Participants shared insights on building successful entrepreneurial careers and discussed policies that promote entrepreneurship and self-employment.

Principal

Vinamra Khand, Gomtinagar, Lucknow

c. Economic Development: The link between entrepreneurship and economic development was a central theme. Experts discussed how entrepreneurial activities can contribute to job creation, innovation, and economic growth. Various aspects such as access to finance, government support, infrastructure, and regional disparities were examined to identify strategies for fostering economic development through entrepreneurship.

Keynote Speakers and Panel Discussions: The conference featured renowned keynote speakers and panel discussions that provided valuable insights and perspectives on the conference themes. Experts from academia, industry, and government agencies shared their research findings, experiences, and best practices. The speakers highlighted the importance of collaboration among stakeholders to bridge the gap between education, entrepreneurship, and economic development.

3. **Names of the speakers are as follows**:

5. **Research Presentations**: Researchers and scholars from diverse disciplines presented their work through oral presentations and poster sessions. The research papers covered a wide range of topics related to education, entrepreneurial employment, and economic development. The presentations showcased innovative approaches, theoretical frameworks, and empirical studies, contributing to the body of knowledge in these areas.
6. **Workshops and Skill-building Sessions**: The conference included interactive workshops and skill-building sessions aimed at enhancing participants' knowledge and skills. These sessions focused on practical aspects such as business plan development, pitching ideas, financial management, and marketing strategies. Attendees had the opportunity to gain practical insights and network with experts in their respective fields.
7. **Policy Recommendations**: The conference concluded with the formulation of policy recommendations aimed at fostering education, entrepreneurial employment, and economic development. These recommendations were designed to guide policymakers, educators, and

Lucknow Public
Vasant Kunj, Gomti Nagar, Lu

industry leaders in implementing effective strategies and initiatives. The recommendations emphasized the need for collaboration, investment in entrepreneurship education, policy reforms, and the creation of a supportive ecosystem for startups.

8. **Networking and Collaboration:** NC-REEED 2023 provided a platform for networking and collaboration among participants. Attendees had the opportunity to connect with like-minded individuals, exchange ideas, and explore potential collaborations. The conference facilitated partnerships between academia, industry, and government to foster innovation, knowledge transfer, and entrepreneurship.
9. **Conclusion:** The National Conference on Research in Education, Entrepreneurial Employment & Economic Development (NC-REEED 2023) served as a valuable platform for knowledge exchange, discussion, and collaboration. By bringing together experts from various fields, the conference contributed to the advancement of research, policy formulation, and practical strategies for promoting education, entrepreneurial employment, and economic development. The outcomes of the conference will have a lasting impact on the fields of education, entrepreneurship, and economic growth in the years to come

REPORT ON WORKSHOP OF FLUTTER

Date - June 8 to June 10,2023

The Artificial Intelligence Club of LPCPS conducted a 3-day workshop on 'Android Development with Flutter', focusing on the latest technological advancements and Android development.

Introduction Android app development has gained significant momentum in recent years, and developers are constantly seeking efficient frameworks to build high-quality applications. Flutter, a cross-platform development framework developed by Google, has emerged as a popular choice for Android development. This report provides a comprehensive overview of Android development with Flutter, exploring its features, benefits, and key considerations.

During the session, students were introduced to various concepts, including object-oriented programming, Flutter widgets, calling APIs using Flutter, and utilizing the SQFLite database for local data storage on devices, to significantly enhance their knowledge in technical aspects.

Principal
Lucknow Public College of Professional Studies
Vasant Kunj, Gomtinagar, Lucknow

1. Overview of Flutter
2. What is Flutter?
3. Flutter Architecture
4. Dart Programming Language
5. Flutter Widgets and UI Development
6. Benefits of Flutter for Android Development
7. Cross-Platform Development
8. Hot Reload and Developer Productivity
9. Rich UI and Customization
10. Access to Native Features and APIs
11. Performance and Speed
12. Growing Community and Ecosystem
13. Key Concepts and Features
14. Widgets: Building Blocks of Flutter Apps
15. State Management
16. Routing and Navigation
17. Animations and Transitions
18. Testing and Debugging
19. Internationalization and Localization
20. Development Environment Setup

Following are the speakers of the session:

•Mohd. Zuhaib Khan

•Ravi Tiwari

Valedictory session

Conclusion: Flutter has emerged as a powerful framework for Android app development, enabling developers to create visually appealing, performant, and cross-platform applications. This report provided an in-depth overview of Flutter's features, benefits, and key considerations. By leveraging Flutter's capabilities, developers can streamline the Android app development process, improve productivity, and deliver outstanding user experiences.

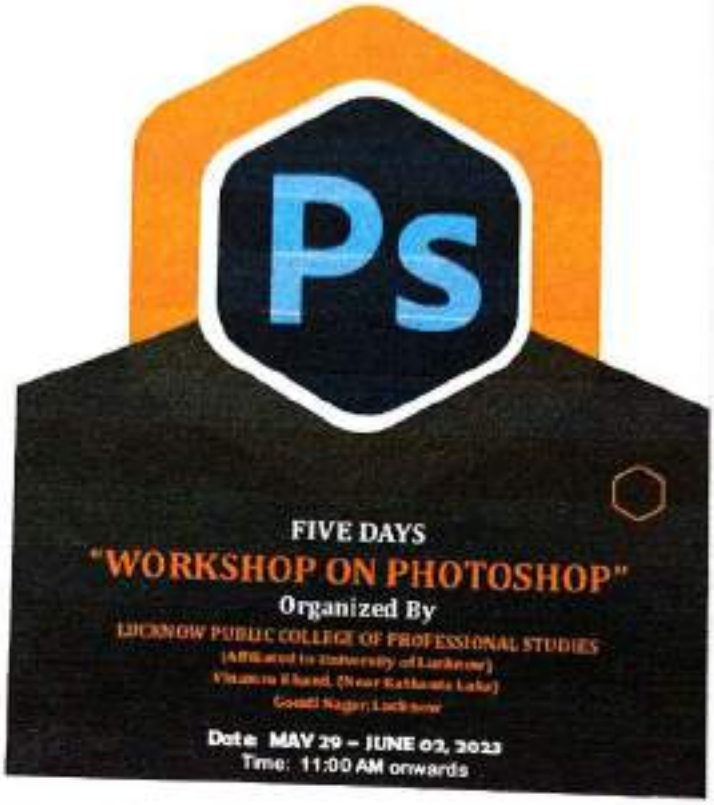
REPORT ON WORKSHOP OF PHOTOSHOP



1. **Introduction**: The purpose of this report is to provide a summary of the workshop on Photoshop conducted from 29th May to 2nd June at LPCPS. The workshop aimed to introduce participants to the fundamentals of Photoshop for image editing and manipulation.

2. **Objectives**: The workshop had the following objectives:
   a) Familiarize participants with the Photoshop interface and tools.
   b) Teach basic image editing techniques, such as cropping, resizing, and adjusting colors.
   c) Introduce participants to more advanced features like layers, masks, and filters.
   d) Provide hands-on practice to reinforce learning.

3. **Workshop Content**: The workshop was structured as follows:

   a) Introduction to Photoshop:

   - Overview of Photoshop and its applications.

Principal
Lucknow Public College of Professional Studies
Vibhuti Khand, Gomti Nagar, Lucknow

- Understanding the Photoshop workspace, menus, and panels.

b) Essential Tools and Functions:

- Familiarization with the selection tools (e.g., marquee, lasso, magic wand).
- Exploring the paint and brush tools for drawing and coloring.
- Understanding the text tool for adding and formatting text.

c) Image Editing Techniques:

- Cropping and resizing images for different purposes.
- Adjusting brightness, contrast, and color balance.
- Removing imperfections using the healing brush and clone stamp tools.

d) Layers and Masks:

- Introduction to layers for non-destructive editing.
- Creating, organizing, and manipulating layers.
- Understanding layer masks for selective editing and blending.

e) Filters and Effects:

- Applying filters to enhance or stylize images.
- Exploring artistic filters, such as oil paint or watercolor.
- Adding special effects, like blurs, glows, and shadows.

f) Hands-on Practice:

- Participants were provided with sample images and guided through various exercises to reinforce their understanding of the concepts and tools covered during the workshop.

4. **Workshop Delivery and Duration**: The workshop was delivered by an experienced Photoshop instructors/ speakers who utilized a combination of presentations, demonstrations, and hands-on exercises to facilitate learning. The workshop duration was of a stretch of 5 Days, including breaks and Q&A sessions.

Principal
Lucknow Public College of Professional Studies
Malviya Khand, Gomtinagar, Lucknow

Students were introduced to various tools available in this software and practical exercises were conducted to demonstrate its application in visual styling and website designing. This workshop provided students with an opportunity recognize their talent and creativity through this application.

Here are the speakers for each day of the workshop:

- Dr. Anand Kumar Rai
- Mr. Ankur Verma
- Ms. Gaurvi Shukla
- Mr. Rohit Kapoor

4. **Feedback and Evaluation**: At the conclusion of the workshop, participants were given the opportunity to provide feedback on their learning experience. The majority of the participants expressed satisfaction with the content, delivery, and organization of the workshop. Many noted that they gained a solid understanding of Photoshop's basic functionalities and felt confident in applying the learned techniques to their work.

5. **Conclusion**: The Photoshop workshop provided participants with a comprehensive introduction to the essential tools, techniques, and features of Adobe Photoshop. By the end of the workshop, participants had acquired the necessary skills to perform basic image editing tasks and were prepared to explore more advanced Photoshop functionalities. The workshop successfully met its objectives of enhancing participants' knowledge and proficiency in Photoshop.

REPORT

SHORT TERM COURSE

'Be aware, connect with care'.

With the intention of creating a safe place for everyone in this cyber world, LPCPS successfully organised a 7-day short term session on Cybersecurity. This informative session was headed by Mr. Prakhyat Pandey and Mr. Rishi Prakash, who spoke about the basic terms used in Cybersecurity & Hacking and how a hacker can hack ones data. This session taught students how to protect themselves against cyber threats.

TOPIC COVERED DURING COURSE

DAY1 : Different parts of internet(surface web, deep web, dark web, mariana's web)

Tor browser and how it works(Why do people use Tor to access dark web)(Onion router and hidden services)

DAY 2: who owns the tor node

how do I know if my child is accessing the darkweb?

I have just discovered my child is using dark web?

Is the dark web a threat?

DAY 3: darkweb markets

Bitcoin

protecting yourself from dark web

Deep web characterstics

Dark web characterstics

DAY 4: What things can be found on dark web

Slayers hitman

Silkroad Documentry

DAY 5: legal darkweb services(generalism, market, social media, repressed minorities)

Darkweb takedown

DAY 6: perfect anonymisity is difficult

freedom hosting

silkroad

Three-Day Workshop on Career Opportunities after Graduation - Workshop Report

Date: 6th, 8th & 10th April. 2023

Venue: conference hall, computer lab, LPCPS

Introduction: The Three-Day Workshop on Career Opportunities after Graduation was organized with the objective of providing graduating students with insights into the diverse career paths available to them post-graduation. The workshop aimed to broaden their understanding of potential career options, enhance their career planning skills, and equip them with the knowledge needed to make informed decisions about their professional futures.

Speakers of the event:

1. **Mr Rakesh Kharbanda**
2. **Mr Hemanshu Sardana**
3. **Mr Vatsal Tandon**
4. **Dr Vibhuti Gupta**
5. **Dr Fawad Ali Khan**

Day 1: CAREER DRIVEN BY PASSION

Exploring Career Pathways The first day of the workshop was dedicated to introducing participants to a wide array of career opportunities available across various industries:

- **Keynote Address:** An opening keynote address by an industry expert, discussing the evolving job market, emerging industries, and the importance of adaptability.
- **Industry Insights Panels:** Panel discussions featuring professionals from different industries, including technology, healthcare, finance, marketing, and more. Panelists shared their career journeys, discussed industry trends, and offered advice to students.
- **Self-Assessment and Interests:** Interactive sessions guiding participants through self-assessment exercises to identify their strengths, skills, and personal interests to align with potential career paths.

Principal
Lucknow Public College of Professional Studies
Viraj Khand, Gomtinagar, Lucknow

Day 2: IMPORTANCE OF TIME MANAGEMENT

Building Career Readiness The second day focused on equipping students with the essential skills and knowledge required to excel in their chosen career paths:

- **Resume Building and Interview Skills:** Workshops on crafting effective resumes, cover letters, and preparing for job interviews. Participants learned how to present their skills and experiences in a compelling manner to potential employers.
- **Networking Strategies:** Interactive sessions on the significance of networking and strategies to build a professional network, both in-person and online.
- **Professional Etiquette and Soft Skills:** Discussions about the importance of soft skills such as communication, teamwork, adaptability, and problem-solving in the workplace.

Day 3: KNOWLEDGE & SKILL REQUIRED SUCCEEDING FOR ENTREPRENEURSHIP

Personalized Career Planning The final day focused on personalized career planning and provided opportunities for participants to engage with mentors and experts:

- **One-on-One Mentorship Sessions:** Participants were paired with mentors from their fields of interest. These mentors provided personalized advice, answered questions, and shared insights from their own career experiences.
- **Career Workshops:** Concurrent workshops on specific career paths, led by experts in each field. These workshops delved deeper into the skills, qualifications, and practical steps required to succeed in each industry.
- **Goal Setting and Action Plans:** Participants were guided through the process of setting short-term and long-term career goals and developing action plans to achieve them.

Conclusion: The Three-Day Workshop on Career Opportunities after Graduation successfully provided participants with a comprehensive understanding of the diverse career pathways available to them. The workshop not only broadened their horizons but also equipped them with practical skills, knowledge, and tools to navigate their professional journeys effectively. Through industry insights, skill-building workshops, and personalized mentorship, participants gained a clearer sense of their career goals and the steps needed to achieve them. REPORT

International Conference on 'Research Methodology used in Recent Innovations through Management, Engineering, Science and Technology.'

IC-RMRIMEST 2023

Date: 23, 24 & 25 March 2023

Venue: Conference Hall, LPCPS

Email: Resrchcelllpcps@gmail.com

DAY #1

Internal Quality Assurance Cell (IQAC) of LPCPS conducted a 3 day International Conference on 'Research Methodology used in Recent Innovations through Management, Engineering, Science and Technology.'

On Day 1,
The first day of the conference started with an inaugural session with a welcome note and conference overview by Dr. Richa Mishra, Assistant Professor, Dept. Of Commerece, LPCPS, followed by The Lightining of lamp, welcome of the Guests & Inaugral Speech by Prof.(Dr.) L.S. Awasthi , Officiating principal & convenor of the event, the gathering was then addressed by Ms. Garima Singh , Director, LPCPS, the address note was then followed by the Technical session where the speakers presented their research and understanding in the fields of Cybersecurity, Risk in mutual fund, Nano particles, Data Mining, Analysis of five Vs of large data and many more.

Speakers of Day 1 were as follows:
1. Research Scientist, Dr. Ashutosh Dhar Dwivedi, Aalborg University, Copenhagen, Denmark (**Foreign Invited Speaker**)
2. Asst. Prof. Rohit Singh, SRMU
3. Asst. Prof. Chetan Khanna, LPCPS
4. Assoc. Prof. Dr. Ashish Kaushal, LPCPS
5. Research Scholar, Rinku Raheja, BBD University
6. Research Scholar, Sayed Nuseba Rasheed, Integral University
7. Asst. Prof. Dr. Sameer Kumar, LPCPS
8. Asst. Prof. Anchal Nigam, LPCPS
9. Deputy General Manager, Amit Bajpai, UPTEC Computer Consultancy Ltd.

Principal
Lucknow Public College of Professional Studies
Vinamra Khand, Gomtinagar, Lucknow

DAY#2

Today marks the second day of the International Conference on 'Research Methodology used in Recent Innovations through Management, Engineering Science and Technology.'

The address note was given On Day 2 the speakers presented their research work which highlighted topics related to the Development & Testing of Gaming, Types of Computing, a Review on the structure of a Greenhouse- Integrated Semi Transparent Photovoltaic Thermal Systems for Aquaculture, and many more. This session focused on finding ways to improve the quality of education for the students.

Speakers of Day 2 were as follows:

1. Asst. Prof. Dr.Iwona Polak, University of Silesia, Poland (**Foreign Invited Speaker**)
2. Asst. Prof. Dr. Grzegorz T. Machnik, University of Silesia, Poland (**Foreign Invited Speaker**)
3. Scientist Dr. Rajani Singh (**Foreign Invited Speaker**)
Department of Digitization, Copenhagen Business School, Denmark
4. Scholar Pallav Rai, KMCLU, LKO
5. Asst. Prof. Manju Bharadwaj, SRMU,LKO
6. Asst. Prof. Sonali Kalakar, SRMU ,LKO

Principal
Lucknow Public College of Professional Studies
Vasundra Khand, Gomtinagar, Lucknow

7. Asst. Prof. Ashok Sen Gupta, School of Management Sciences
8. Assoc. Prof. Dr. Karuna Shankar Awasthi, LPCPS
9. Research Scholar Rohit Kapoor, Maharishi University of Information & Technology/LPCPS
9. Asst. Prof. Dr. Nripendra Singh, LPCPS
10. Research Scholar Saloni Agarwal, AKTU/LPCPS
11. Asst. Prof. Neeraj Singh, LPCPS

DAY #3

Today marks the end of the 3 Day International Conference on 'Research Methodologies used in recent Innovations through Management, Engineering, Science and Technology'.
Today, the speakers enthusiastically gave presentations on their research work in the following allied fields - Entrepreneurship in India, Anti-microbes resistance (AMR), Cybersecurity, Quantum Computers, Artificial Intelligence, Emperical Analysis, and many more. The session came to an end with a Valedictory Ceremony, where the Invited speakers were presented with "Citation of Honor" by Prof. (Dr.) L.S Awasthi, Officiating principal, LPCPS along with Felicitation of the member of Review Committee thus, making this event a success.

Three-Day Workshop and Awareness on J-Gate Database and Its Role in the Research Community - Workshop Report

Date: 28th Feb – 2nd March. 2023

Venue: conference hall, computer lab, LPCPS

Introduction: The Three-Day Workshop and Awareness Program on J-Gate Database was organized by IQAC in association with RPDC, LPCPS to educate researchers, students, and academic professionals about the significance of the J-Gate database in facilitating research activities. The workshop aimed to enhance participants' understanding of accessing, utilizing, and harnessing the vast resources available through J-Gate for their research endeavors. The inauguration session was started by the event host Dr. Richa Mishra, Assistant professor, LPCPS who gave a brief about the event as well as speakers followed up by the Inaugural speech by Prof. (Dr). L.S. Awasthi, Dean, Acdemics, LPCPS.

SPEAKERS OF THE EVENT:

1. Mr Ajay Sahay
2. Ms Neelam Kanojia
3. Prof. (Dr.) Laxmi Shankar Awasthi
4. Dr Deepak Kr verma

Day 1: USES & BENEFITS OF J-GATE

Introduction to J-Gate Database The first day of the workshop was dedicated to introducing participants to the J-Gate database and its features. The sessions included:

- **Overview of J-Gate:** A comprehensive introduction to J-Gate as a multidisciplinary database containing a wide range of scholarly articles, research papers, journals, and conference proceedings.
- **Navigating the Interface:** Hands-on demonstrations of how to access and navigate the J-Gate platform, including effective search techniques and filtering options.
- **Database Coverage:** Presenting the breadth of subjects covered by J-Gate and highlighting its relevance across various disciplines.
- **Benefits of Using J-Gate:** Discussing the advantages of utilizing J-Gate in research, including access to credible sources, cross-disciplinary information, and up-to-date content.

Day 2: RESEARCH LITERATURE FILTERATION TECHNIQUES IN J GATE

Advanced Features and Research Tools The second day focused on equipping participants with more advanced skills to maximize the benefits of J-Gate for their research:

- **Advanced Search Strategies:** Exploring advanced search strategies to refine search results and find specific research materials efficiently.

Lucknow Public College of Professional Studies
Viraaj's Khand, Gomanagar, Lucknow

- **Citation Analysis Tools:** Introduction to tools within J-Gate that allow researchers to analyze citations, identify influential papers, and track research trends.
- **Alerts and Notifications:** Demonstrating how to set up alerts and notifications to stay updated on the latest research publications in chosen fields of interest.
- **Interdisciplinary Research:** Highlighting the potential of J-Gate to facilitate interdisciplinary research by providing access to diverse perspectives.

Day 3: USES OF J GATE

J-Gate's Role in the Research Community The final day focused on the broader impact of J-Gate on the research community and its role in promoting scholarly activities:

- **Research Collaboration:** Discussing how J-Gate can facilitate collaboration among researchers by connecting individuals with shared research interests.
- **Research Visibility:** Exploring how researchers can increase the visibility of their work by publishing in journals indexed in J-Gate.
- **Promoting Open Access:** Highlighting J-Gate's support for open access initiatives and its role in promoting free access to research findings.
- **Feedback and Q&A:** Providing participants with the opportunity to share their experiences, ask questions, and provide feedback on their interactions with the J-Gate database.

Conclusion: The Three-Day Workshop and Awareness Program on J-Gate Database provided participants with a comprehensive understanding of the database's features, functionalities, and benefits for the research community. Attendees gained valuable insights into how J-Gate can enhance their research endeavors, from efficient information retrieval to interdisciplinary exploration. The workshop successfully promoted the importance of utilizing credible and up-to-date sources for academic and scholarly pursuits. Participants left the workshop equipped with practical skills to navigate J-Gate effectively and contribute to the advancement of research in their respective fields. The event concluded as a valuable resource for fostering a more informed and collaborative research community via valedictory session where the speakers were felicitated

Report

Three-Day Workshop on

"ROLE OF SCIENCE AND COMMUNICATION IN MEDIA STUDIES"

Date: 23-25 February 2023
Organized by: Department of Journalism and Mass Communication

A thorough workshop on the important place of science communication in the field of media studies was successfully held by the Department of Journalism and Mass Communication. The event happened over the course of three days, on 23-25 February 2023.

The educative lecture given by Mr. Richeek Mishra, a seasoned expert holding the prestigious position of Assistant Editor at Aaj Tak Digital, was one of the workshop's standout moments. Mr. Mishra is known as an accomplished journalist due to his knowledge in science, space, geoscience, biology, and military sciences.

Participants learned a great deal about the difficulties and rewards of covering complicated scientific issues by examining Mr. Mishra's actual reporting experiences. A wide range of people, including academic members and business experts, as well as students pursuing journalism and mass communication degrees, attended the event. The workshop's participatory format allowed for lively conversations and the exchange of ideas, enhancing the whole educational process. The workshop hosted by the Department of Journalism and Mass Communication served as an insightful forum that underscored the crucial position that science communication plays within the broader field of media studies. The event's success can be credited to everyone's engagement and enthusiasm as well as the rich substance delivered by Mr. Richeek Mishra.

Activities of the workshop

The activities of the workshop aimed specifically at:

- Raising awareness of the crucial relationship between science and communication
- To broaden the participants knowledge of the larger field of media studies
- To facilitate the discussion between working science communicators and students.

Principal
Lucknow Public College of Professional Studies
Vinamra Khand, Gomtinagar, Lucknow

The workshop was divided into three days:

DAY 1: On first day Dean Prof. L. S. Awasthi inaugurated the programme and talked about the importance of science communication for common man. Esteemed faculty Ms. Aanchal Praveen gave a lecture on Science Communication and Journalism. She took a session where students had to identify and write about the general life things that may encompass science. During the session Ms. Aanchal also talked about the presence of science in Indian customs and traditions. The first day concentrated on sharing with students the principles of science communication and its tools.

DAY 2: On day 2, an enlightening lecture was delivered by Mr. Neeraj Kumar Singh, HOD, Department of Journalism and Mass Communication. Mr. Singh talked about Scientific temperament in news identification and Dissemination. He shared with students the insights of working in news media industry and how pertinent it is to communicate scientific knowledge in simpler language. Second session was taken up by Ms. Priyanka Singh on the topic Science communication through cinema in India. Ms. Priyanka screened few science documentaries and docu-features for students. Afterwards she talked about the pre-requisites for science communication and how it is not related to only science labs and scientists. A Q&A session was held wherein students quenched their thirst of information.

DAY 3: The third day had a special lecture by Mr. Richeek Mishra, Assistant Editor at Aaj Tak Digital. Mr. Mishra presented instructive examples from his vast expertise in the field of scientific communication journalism during his talk. His presentation gave the audience, which was mainly made up of students, a fascinating look at the nuances of a little-known aspect of the journalistic industry. Second session was taken up by Ms. Anshita Gupta, a media professional and an alumnus of LPCPS as well. She talked to students about how new Digital and technological advancements have made journalism easier. She talked about mobile journalism and avenues of science communication through mobile journalism.
Dean Prof. L.S Awasthi felicitated the guests and gave a vote of thanks.

Three-Day Workshop on Research and Innovation Ethics - Workshop Report

Date: Feb 22-24

Venue: conference hall, computer lab, LPCPS

Introduction: The Three-Day Workshop on Research and Innovation Ethics was organized with the aim of promoting a deeper understanding of ethical considerations in the realm of research and innovation. The workshop provided a platform for researchers, academics, industry professionals, and students to engage in discussions, share insights, and learn about the latest developments in ethical practices within the context of research and innovation.

Speaker of the events:

1. **Ms Shital**
2. **Ms Neelam Kanojia**
3. **Ms Saloni Agarwal**
4. **Dr Richa Mishra**
5. **Dr Karuna Shankar Awasthi**
6. **Dr Anand Kumar Rai**

Day 1: TURNITIN

Understanding Research Ethics The first day of the workshop focused on laying the foundation for understanding research ethics. Sessions were led by prominent experts in the field and covered topics such as:

- **Introduction to Research Ethics:** Exploring the fundamental principles of ethical research, including integrity, transparency, and the protection of human and animal subjects.
- **Ethical Theories and Frameworks:** An exploration of various ethical theories and frameworks that guide decision-making in research, helping participants understand the complexity of ethical considerations.
- **Informed Consent:** Discussion about obtaining informed consent from research participants, highlighting its significance and best practices.

Principal
Lucknow Public College of Professional Studies
Vinamra Chand

- **Ethical Review Processes:** Overview of institutional review boards (IRBs) and ethical review procedures that researchers should adhere to when conducting studies involving human subjects.

Day 2: COPYRIGHTS & PATENTS

Navigating Innovation Ethics The second day delved into the ethical challenges and responsibilities inherent in the realm of innovation. Key topics covered were:

- **Innovation and Society:** Exploring the interconnectedness between innovation, societal impact, and ethical considerations. Discussions centered around the potential consequences of innovation on communities, cultures, and the environment.
- **Intellectual Property and Ethics:** Addressing the ethical aspects of intellectual property rights, technology transfer, and the responsible commercialization of innovations.
- **Bias and Fairness in Innovation:** Analyzing the ethical implications of biases in algorithms, AI systems, and technological innovations, and how to ensure fairness and inclusivity.
- **Dual-Use Dilemmas:** Discussion about the ethical challenges posed by innovations that can have both beneficial and harmful applications, such as in biotechnology and artificial intelligence.

Day 3: INTEELECTUAL PROPERTY RIGHTS

Practical Applications and Case Studies The final day of the workshop was dedicated to practical applications and real-world case studies, allowing participants to engage in hands-on activities and discussions:

- **Ethics in Data Collection and Analysis:** Exploring ethical considerations when collecting, handling, and analyzing data, especially in the context of big data and data privacy.
- **Ethics in Emerging Technologies:** Delving into the ethical challenges presented by emerging technologies such as gene editing, autonomous vehicles, and blockchain.
- **Group Discussions and Case Studies:** Participants were divided into groups to analyze and discuss various ethical case studies related to research and innovation. This encouraged collaborative problem-solving and critical thinking.

Principal
Lucknow Public College of Professional Studies
Vinamra Khand, Gomtinagar, Lucknow

Conclusion: The Three-Day Workshop on Research and Innovation Ethics provided a comprehensive platform for participants to deepen their understanding of ethical considerations in research and innovation. The discussions and insights shared by experts and participants underscored the importance of responsible conduct in both fields. Attendees left the workshop with a heightened awareness of the ethical challenges and a commitment to incorporating ethical considerations into their research and innovation endeavors. The event was a significant step toward fostering a more ethically conscious research and innovation community.

Workshop 1.0 on future of AI and ROBOTICS in INDIA

6th February | 8th February 2023

Organized by

LUCKNOW PUBLIC COLLEGE OF PROFESSIONAL STUDIES

In collaboration with

EDUQUIS TECHNOLOGY

AI AND ROBOTICS WORKSHOP

Principal
Lucknow Public College of Professional Studies
Vasundra Khand, Gomti Nagar, Lucknow

DAY:1

'Predicting the future isn't magic, it's technological.'

Artificial Intelligence Club of LPCPS in association with Eduquis Technology conducted a 3 Day Workshop on 'Future of AI and Robotics in India'. The host of the event Dr. RichaMishra , Assistant Professor, LPCPS gave a brief about the theme as well as the flow of the event & the interactive session was led by Mr. Shwetank Seth, CTO of Eduquis Technology.

During this session, students learned about the origins of Artificial Intelligence and Robots, their impact on mankind and how the world is evolving as technology advances. Overall, Day 1 of this workshop was a success as students gained a lot of insights into the rapidly expanding field of AI and Robotics.

Principal
Lucknow Public College of Professional Studies
Vinamra Khand, Gomti Nagar, Lucknow

DAY:2

Day 2 of 'Future of AI and Robotics in India' Workshop was headed by Shwetank Seth, CTO of Eduquis Technology.

During this session the students were made aware of the rising demand for AI, increase in productivity through use of AI in various sectors and how AI achieved its goal of increasing user experience.

With this we come to the end of Day 2 of the 3 Day Workshop, here's a glimpse.

Vinamra Khand, Gomti Nagar, Lucknow

DAY:3

Today marks the end of the 3 Day workshop on 'Future of AI and Robotics in India' organised by the Artificial Intelligence Club of LPCPS. Day 3 was headed by Dr. A.K. Rai, Department of Computer Applications, LPCPS.

During this session, the students learned about the creation of artificial neural network in 1943 which paved the way to Artificial Intelligence. Through this workshop students learnt about the advancements made in the field of AI and India's place in the race of Artificial Intelligence and Robotics followed by the brief online test for the participants with a great deal of participation &enthusiasm & the guest speakers were felicitated by the Dean Prof. (Dr.) L.S.Awasthi with closing remarks by the Dean Dr. L.S.Awasthi& Dr. Richa Mishra, Assistant Professor , Dept. Of Commerce, LPCPS

REPORT

Seminar on Entrepreneurship Development and Orientation: Trends and Challenges

Date: **31st OCTOBER, 2022**

Location: LPCPS Conference hall

Organizer: IQAC in association with RPDC, LPCPS

'A true entrepreneur is a doer, not a dreamer.'

- **1. Introduction:** The seminar on Entrepreneurship Development and Orientation: Trends and Challenges was a significant event aimed at exploring the evolving landscape of entrepreneurship and the associated opportunities and challenges. The seminar brought together entrepreneurs, business experts, academicians, and students to share insights, experiences, and strategies related to entrepreneurship. The Training and Placement Cell of LPCPS organised a this seminar featuring Dr Kavita Pathak, Director of Jaipuria Institute of Management, as the Guest Speaker, who shared her knowledge on the trends and challenges one needs to overcome for the growth of their venture.

2. Objectives: The primary objectives of the seminar were:

- To discuss current trends in entrepreneurship.
- To highlight the challenges faced by entrepreneurs in the modern business environment.
- To provide orientation and guidance for aspiring entrepreneurs.
- To foster networking and knowledge-sharing among participants.

3. Key Themes and Discussions:

3.1 Trends in Entrepreneurship: Several prominent trends in entrepreneurship were discussed during the seminar:

- **Digital Transformation:** The impact of technology and digitalization on business models and operations was a central topic. Discussions revolved around leveraging digital platforms, e-commerce, and data analytics for business growth.
- **Sustainability and Social Entrepreneurship:** The growing importance of incorporating sustainable practices into business models was emphasized. Social entrepreneurship as a means of addressing societal challenges while maintaining profitability was also explored.
- **Innovation and Disruption:** The role of innovation in disrupting traditional industries and creating new market spaces was highlighted. Examples of successful disruptive startups were presented, emphasizing the importance of creative thinking.

- **Funding and Investment:** Access to funding and capital emerged as a significant hurdle, especially for startups. Various financing options, including venture capital and angel investment, were discussed.
- **Regulatory Environment:** Navigating complex regulatory frameworks and compliance requirements was highlighted as a challenge, particularly for businesses operating across borders.
- **Market Competition:** The competitive nature of modern markets poses a challenge for both new and established entrepreneurs.
