Consortium for Higher Education Electronic Resources

**Resource Name:** India Business Insight (IBI)

**Brief Description:**

A tool for intelligent desk market research - India Business Insight - is the first and only comprehensive online-research tool to Indian business and industry information. IBI monitors information on listed and unlisted companies, government bodies, topics, industries, and people that matter the most for an organization. IBI provides a unified platform to access nationwide industry related news, through its advanced filter-based search options. Abstracts are created by a team of professional editors and indexed in the database. More than 167 business publications from India are indexed in the database.
