### **DR. BHIMRAO AMBEDKAR JAYANTI**

**Date: 13th April, 2023**

Ambedkar Jayanti or Bhim Jayanti is observed on 14 April to commemorate the memory of B. R. Ambedkar, Indian politician and social reformer. It marks Ambedkar's birthday who was born on 14 April 1891. His birthday is also referred to as 'Equality Day' by some in India

The Citizens paid tributes to Ambedkar on the occasion of his 125th birth anniversary, at Parliament House, in New Delhi on April 14, 2016.

Ambedkar's legacy as a socio-political reformer had a deep effect on modern India. He passionately believed in individual freedom and criticised caste-based society.

Ambedkar Jayanti is being observed as a public holiday throughout the country since 2015. His ideology is now being championed by several political parties.

On the occasion of Ambedkar Jayanti or Bhim Jayanti which is on 14<sup>th</sup> April 2023, Lucknow Public College of Professional Studies organized a session for the students of LPCPS which was taken by our student Mr. Neeraj Singh (department of Journalism) of LPCPS. All the students and faculty members actively participated thought out the session. In this event students got awareness about Dr Bhimrao

The poster features the LPCPS logo at the top left. The main text reads "LUCKNOW PUBLIC COLLEGE OF PROFESSIONAL STUDIES" in large, bold, black letters. Below this is a portrait of Dr. B. R. Ambedkar. Underneath the portrait, it says "14 APRIL DR. B. R. AMBEDKAR JAYANTI". At the bottom, there is a quote: "A great man is different from an eminent one in that he is ready to be the servant of the society." and a blue box with the date and time: "Date- 13 April 2023 Time- 10:15am".

Ambedkar.

### EID-UL-FITR

**Date: 20th April, 2023**

Eid al-Fitr (/ˌiːd əl ˈfɪtər, -trə/; Arabic: عيد الفطر, romanized: Eid al-Fiṭr, lit. 'Holiday of Breaking the Fast', IPA: [ʕiːd əl ˈfɪtˤr]) is the earlier of the two official holidays celebrated within Islam (the other being Eid al-Adha). The religious holiday is celebrated by Muslims worldwide because it marks the end of the month-long dawn-to-sunset fasting of Ramadan. It falls on the first day of Shawwal in the Islamic calendar; this does not always fall on the same Gregorian day, as the start of any lunar Hijri month varies based on when the new moon is sighted by local religious authorities.

On the occasion of EID-UL-FITR which is on 22<sup>nd</sup> April 2023, Lucknow Public College of Professional Studies organized a session for the students of LPCPS which was taken by our student Dr Imranur Rehman (department of management) of LPCPS and by our student Mr Nawaaz Khan (B.Com 2<sup>nd</sup> semester) and Ms.Misbha (BA-JMC 6<sup>th</sup> semester). All the students and faculty members actively participated throughout the session. In this event students got awareness about EID-UL-FITR.

### **WORLD BOOK AND COPYRIGHT DAY**

### **WORLD INTELLECTUAL PROPERTY DAY**

**Date: 26th April, 2023**

World Book Day, also known as World Book and Copyright Day or International Day of the Book, is an annual event organized by the United Nations Educational, Scientific and Cultural Organization (UNESCO) to promote reading, publishing, and copyright. The first World Book Day was celebrated on 23 April in 1995, and continues to be recognized on that day.

World Intellectual Property Day is observed annually on April 26. The event was established by the World Intellectual Property Organization (WIPO) in 2000 to "raise awareness of how patents, copyright, trademarks and designs impact on daily life" and "to celebrate creativity, and the contribution made by creators and innovators to the development of economies and societies across the globe". April 26 was chosen as the date for World Intellectual Property Day.

On the occasion of World Book and Copyright Day and World Intellectual Property Day, Lucknow Public College of Professional Studies organized a session for the students of LPCPS which was given by Dr. Richa Mishra (Department of Commerce) of LPCPS. All the students and faculty members were very enthusiastic for this session and actively participated throughout this session.

### **WORLD NO TOBACCO DAY**

**Date: 31<sup>st</sup> May, 2023**

World No Tobacco Day (WNTD) is observed around the world every year on 31 May. The yearly celebration informs the public on the dangers of using tobacco, the business practices of tobacco companies, what the World Health Organization (WHO) is doing to fight against the use of tobacco, and what people around the world can do to claim their right to health and healthy living and to protect future generations.

The Member States of the WHO created World No Tobacco Day in 1987 to draw global attention to the tobacco epidemic and the preventable death and disease it causes. The day is further intended to draw attention to the widespread prevalence of tobacco use and to negative health effects, which currently lead to more than 8 million deaths each year worldwide, including 1.2 million as the result of non-smokers being exposed to second-hand smoke. The day has been met with both enthusiasm and resistance around the globe from governments, public health organizations, smokers, growers, and the tobacco industry.

On the occasion of **World No Tobacco Day**, Lucknow Public College of Professional Studies organized a session for the students of LPCPS which was **Prof. (Dr.) Laxmi Shankar Awasthi (Dean Academics)** and there was a special session by **Dr. Shailesh (homeopathic)** on health awareness. All the students were very enthusiastic for this session and actively participated throughout this session.

### WORLD OCEAN DAY

**Date: 8<sup>th</sup> June, 2023**

World Ocean Day is an international day that takes place annually on 8 June. The concept was originally proposed in 1992 by Canada's International Centre for Ocean Development and the Ocean Institute of Canada

World Oceans Day reminds every one of the major role the oceans have in everyday life. They are the lungs of our Planet and a major source of food and medicine and a critical part of the biosphere.

The purpose of the Day is to inform the public of the impact of human actions on the ocean, develop a worldwide movement of citizens for the ocean, and mobilize and unite the world's population on a project for the sustainable management of the world's oceans.
