PLANTATION DRIVE

To plant trees is to give body and life to one's dream of a better world." - Russell

To mark the ongoing celebration of 'Azadi Ka Amrit Mahotsav', on August 14, 2022 LPCPS took the initiative of "Vriksharopan - Tree Planting Campaign". This campaign was led by our respected Dean, Dr. L.S. Awasthi and Director, Ms. Garima Singh along with other faculty members. Over 50+ saplings were planted under this initiative. 🇮🇳

**ENVIRONMENTAL AWARENESS PROGRAMME
"POLLUTION MANAGEMENT THROUGH ORNAMENTAL FERNS"**

'Look deep into nature, and then you will understand everything better'.

To evoke a sensitivity for the environment, its problems and create an understanding on the need for environmental protection among the students, LPCPS organised a session called 'Environmental Awareness Programme' headed by Dr. Alka Kumari from the University of Lucknow.

Through this session, students learned about horticulture and discussed the following points:

- How ornamental trees provide shade for pedestrians on hot days.
- How growing ferns can help reduce the amount of pollutants in the environment
- How we can use ferns for remediating contaminated soil.
