With the motive of a holistic approach we motivate students to organise Fresher's and Farewells to build harmony and brotherhood in the student communities.

Freshers' Day is a celebration meant to inspire juniors, foster a sense of community, and offer a warm welcome to newcomers. This day's goal is to greet and get to know the juniors. The new academic year is greeted with joy and excitement, starting with the junior class.

Farewell parties are held to celebrate the accomplishments and impact that last year students, who are leaving, have made at work and in the community.
