WORLD TUBERCULOSIS DAY

Date: 24th March, 2023

World TB Day is observed on March 24 each year to raise public awareness and understanding about one of the infectious diseases - Tuberculosis. As per the WHO report the incidence of TB in 2022 is 192/ 100000 population. The patients who are affected by TB will suffer physically, emotionally, socially and economically. There is a need for creating awareness among the general public and health care professionals on tuberculosis management and its prevention

In this regard, the Lucknow Public College of Professional Studies organized a seminar based on the theme "Yes We Can End T.B". Based on the theme, **Dr. Nripendra Singh** (Department of Science) delivered the power point presentation to make the awareness among all the students and faculty members of LPCPS which made a strong impact on all the audience present over there.

WORLD WATER DAY

Date: 22nd March, 2023

It is known that three essential things for humans to survive on Earth are air, water, and food. More resources are increased as our population increased. It leads to the overuse and exploitation of all-natural resources. According to research, we are left with a crisis where over 600 million people are living without a pure drinking water supply to their homes.

World Water Day is observed on the 22nd of March every year. The main aim of World Water Day is to educate the importance of water to the whole world.

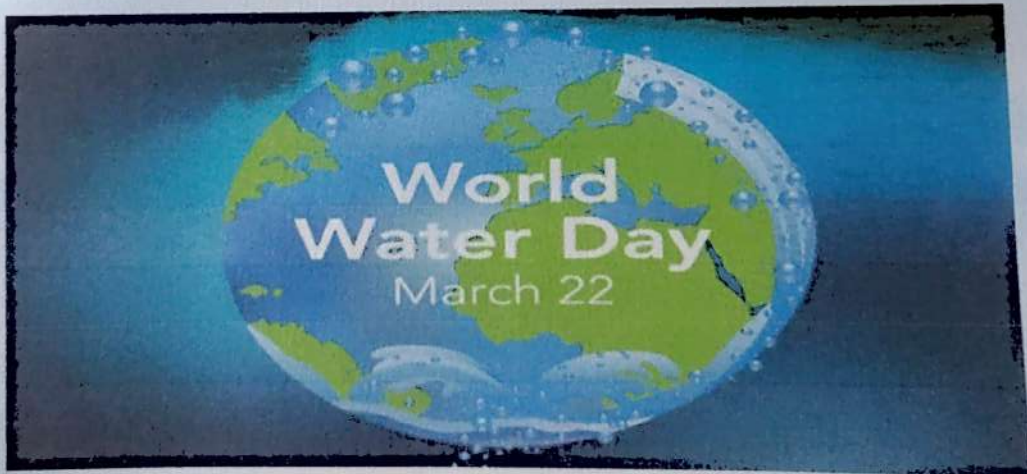

LPCPS organized **slogan writing competition** on the occasion of World Water Day in the library of the college in which students of different departments participated with full zeal. Around 76 students participated from different courses.

CHILDREN'S DAY

14th November, 2022

Every year, Children's Day is celebrated all across India on November 14. This day was chosen to celebrate as Children's Day after the India's first Prime Minister Jawaharlal Nehru, adorably referred to as Chacha Nehru. Jawaharlal Nehru celebrated his birthday on November 14. Nehru was a great advocate for children's right and for an all-inclusive education system where knowledge is accessible to all. He believed that children are the future of the country and the foundation of a society, and hence, everyone's well-being should be taken care of.

LPCPS organized quiz contest on Children's Day through google form to create awareness about Jawaharlal Nehru. <https://forms.gle/naU9uGfLwScCMK5P9>
