ACKNOWLEDGEMENT

The completion of any task is the reward of not only the persons actively involved in accomplishing it, but also the people involved in inspiring, guiding and helping these people. We take the opportunity here to thank all those people who have helped us in this project. Yes this project wouldn't have been possible without the unremitting care and support of many people.

First and foremost, I would like to express my deepest gratitude to Mr. Ajay Kumar Gupta for their guidance and constant supervision as well as for providing necessary information regarding the project and also for their support in completing the project.

I would like to express my gratitude towards my parents and members of LPCPS for their kind co-operation and encouragement which help me in completion of this project.

I would like to express my special gratitude and thanks to industry persons for giving me such attention and time. My thanks and appreciation also go to my colleagues in developing this project and people who have willingly helped me out with their abilities.

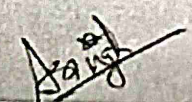

Above all, I thank the almighty God, for giving me the immense strength and wisdom to be dedicated in my work and give my best.

THANK YOU.
