

2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Industrial Visits:

INDUSTRIAL VISIT TO HIPSTER

17/Dec/2022

'Learning and growth is a continuous process'. LPCPS organised an Industrial Visit to Hipster for their students of BCA programme, where the students learned about web development, app development and languages used in today's industry. Current trends in software testing and other IT branches and how to make an effective and presentable resume to present in front of an interviewee were some of the major points discussed during this visit.
