### Sab Padhe Sab Badhe

**Date of activity:** 07/03/2025

**Number of Students:** 349

**Venue:** LPCPS

#### Brief about the activity:

On **7th March 2025**, the NSS Unit of *Lucknow Public College of Professional Studies (LPCPS)* organized a special literacy-promoting activity titled **“Sab Padhe Sab Badhe”** with the objective of encouraging students to develop a consistent habit of reading. The initiative was conducted from **11:00 AM to 12:00 Noon**, during which all participating students were asked to read a book of their choice for one uninterrupted hour.

The activity was designed in response to the growing influence of social media on students’ daily routines, which often results in reduced focus on reading and academic enrichment. Through this programme, the NSS Unit aimed to redirect students’ attention toward meaningful learning, improve their concentration levels, and cultivate a deeper interest in books and quality reading material.

Students participated enthusiastically, selecting books related to literature, self-development, history, science, commerce, and other subject areas. The quiet and focused environment created during the session helped students engage deeply with their reading material. Faculty members also supported the initiative by interacting with students and motivating them to include regular reading in their daily schedules.

### Awareness Campaign on Social Evils – Dowry System

**Date of activity:** 07/03/2025

**Number of Students:** 30

**Venue:** Sallahimau and Dallookhera

**Brief about the activity:**

On the inspiration of the Hon'ble Governor, an awareness campaign was organized to address the social evil of the dowry system. On 7th March 2025, a team of 30 students from the NSS Unit of Lucknow Public College of Professional Studies visited two villages, Sallahimau and Dallookhera, located near the college. The students were accompanied by their Programme Coordinator, Dr. Ashish Kaushal, and Faculty Member, Mr. Neeraj Singh.

The primary aim of the visit was to raise awareness about the harmful impacts of the dowry system, which continues to be a prevalent issue in many parts of India. To effectively convey the message, the students used visual aids in the form of large A4-sized pictures that highlighted various aspects of the dowry system, including its social, emotional, and economic consequences. These images were strategically displayed to capture the attention of villagers and initiate meaningful conversations about the negative impacts of dowry.

The students engaged with the villagers, particularly the women and youth, encouraging them to reject dowry practices and promote gender equality. The campaign aimed not only to educate but also to empower the community to take action against this harmful tradition.

The initiative was well-received and contributed to spreading awareness about the importance of a dowry-free society.
