

### **7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities.**

Details about the Institutional efforts/initiatives in providing an inclusive environment Lucknow Public College of Professional Studies (LPCPS) offers a comprehensive environment for one and all with broad-mindedness towards cultural, socio-economic, linguistic, regional harmony and other diversities. As a part of Institutional / Social Responsibility for charitable perspective to develop unity and peace, LPCPS organizes several activities like [blood donation camp](#), [social awareness program](#) in which students participate from different community, caste and creed and they serve to the people who belong to the different caste and community. In this regard Awareness Program related to health, Donation drives in [Orphanage](#), [Arpan programs](#) are organized to help needy people. The college celebrates various dedicatory days such as [Women's Day](#), [Yoga Day](#), [Democracy Day](#), etc. LPCPS organizes different activities to boost self-esteem like 'Samagam' Alumni meet, 'Subharabh' Freshers party, 'Teacher's Appreciation Ceremony', 'Rashtriya Job Festival' Ganesh Chaturthi, [Republic day](#), [Independence day](#), etc. while [sports activities](#) foster the student's confidence, teamwork, patience, etc. The college organizes seminars for [gender equality](#), [social issues](#), [Animal awareness](#) and also technical skills development such as, workshops on 'Cyber security in India', [Financial Awareness Program](#), [waste management programmes](#), [Role of Digital Payment](#) and several contemporary FDPs have been organized. The College annual function named [XeniuM](#) is organized every year to attract students from various colleges to participate in various cultural activities. The aforementioned events aims to bring people together promote academic success and make lasting memories.
