

## Policy Documents for Physically Disabled Persons

Lucknow Public College of Professional Studies does have the policy documents for the persons having physical disabilities according to the policy of government of India which was formulated in February 2006 which deals with educational rehabilitation with persons having disabilities. The policy states that person having physical disabilities is very valuable human resource for Lucknow Public College of Professional Studies as well as for the entire society and country so the college seeks to create an environment which provides equal opportunities. This also protects their rights and their participation to college society and country. The policy focused on the following facts.

1. To ensure the facility of ramp and lift in the building according to persons having disabilities.
2. To ensure the well functional washrooms which are disable friendly, safe and usable.
3. To ensure the proper text and pictogram signage such as tactile path, lights, display boards, signposts are necessary, located to be visible and touchable.
4. The use of signage of male and female signs, in accordance with local society and standards, with raised outlines and bright color contrast will be more palpable to everyone and particularly helpful for persons with visual impairments.
5. Students with disabilities need to be sufficiently and appropriately supported in and out of the classroom with the right resources and assistive technology, and with leadership, teaching staff and college communities that are responsive to their need.
