Essay on Shri Atal Bihari Vajpayee ji

"Bharat Ratna Atal Ji"

Atal Bihari Vajpayee was an Indian and diplomat who was the best prime minister of India. He was born on 25 December 1924 who served three terms as the prime minister of India. First first for a term of 13 days in 1996 then forest span of 13 months from 1998 to 1999 and then for a full term from 1999 to 2004. In the last seven decades of politics, a personality emerged in India and the country accepted it easily. In the way history happens, a leader too is born. One such leader was Atal Bihari Vajpayee. Many researchers are working on Atalji's life, his thoughts, his conduct as leader of opposition, as the prime minister of India, his understanding of foreign policy, life in Parliament, oratory, how he left an indelible impression.

Very few people in public life have the privilege to become a legend in their lifetime and Atal Bihari Vajpayee ji was amongst one of them.

Vajpayee was fondly called atalji as atal ji was born on 25 December 1924, when the word has celebrated the birthdate of all mighty Jesus like Jesus atalji 2 was the epitome of love, compassion, brotherhood and peace.

Atal ji was not only a politician but also:-

"ATALJI THE POET"

Son of parents who had same names father Krishna Bihari and mother Krishna Devi atal ji was formed of poetries as his father was a teacher in Gwalior and also a poet of a acclaim. When he was in school he composed his famous poems like "Hindu Jeevan rag rag Hindu Mera Parichay" which was well received by the people for most of the youths back then and still holds good for the present and the future. His other poems like "Aao fir se diya jalayen" Haar nahi manunga" Jeevan beet chala" Maut se than gai " spoke out for his philosophy of life and the mission he pursued recklessly. His poems were soulful and touching.

"ATALJI AN ORATOR"

Atalji wasn't a great orator; he was well known how to play with words and win hearts. Right from his school days he signed like a star in the field of public speaking and oratory. Once he participated in a national level debate competition in Allahabad when he reached late at the venue he somehow requested the organisers to allow him after he was allowed with his decent way of speaking, style, pose and payment arguments he won the first prize. His speeches in the parliament were legendary. Even even pandit Jawaharlal Nehru predicted that with his speaking skills he will shine in politics and he did. When in 1964 Nehru ji passed away atalji delivered a speech in Nehru Ji's condole in pure Hindi and it reflected all the qualities of erudition and flowers like poetry.

With his speaking skills he was praised amongst the people.

"JOURNALIST ATALJI"

Atalji became an editor of Rashtra Dharma but journalism back then was not at all easy like it's today.

Following the success of Rashtra Dharma Deen Dayal Upadhyay launched "Panchajanya" which sounded the clarion call of duty besides awakening people about their responsibilities and commitment to the nation.

Panchajanya was the Hindi weekly in India. With large circulation but at the root of this success. Atalji worked hard and his brains played a huge role.

"IN THE LOK SABHA"

Atalji got elected from Balrampur in Uttar Pradesh. He made his debut speech in the Lok Sabha on 15th May 1957 with the help of his oratory skills. Deliberating on Kashmir issue & article 370. He cautioned the Nehru Government that its policy on J & K would lead to complications. Nehru ji did not agree but with his auditory skills and presentation style he got impressed.

And and assumed that he will shine in this field and Atal ji proved him right he remained the member of lok sabha for 11 years.

" THE JANATA PARTY EXPERIMENT"

During the emergency he was jailed as hundred of thousand were arrested doubting conspiracy against pm Indira Gandhi afterwards atal ji became ministers of foreign affairs and that was the best span win the bilateral relations of two neighbours who remained cantankerous from day one were most cordial friend but not your neighbour. And the most interesting part is leaders of Pakistan were happy and assured Vajpayee who was portrayed as a die hard Hindu nationalist.

" PRIME MINISTERS ATAL BIHARI VAJPAYEE"

Atalji was one of the best prime ministers so far. He ruled as a prime minister thrice. First for a term of 13 days in 1996 then for a term of 1 year in 1998 to 1999 and then for a full term from 1999 to 2004.

As a prime minister he credited and revived the Indian story in the global economy when Manmohan Singh took over from Vajpayee ji in 2004 then the economy was in great shape. Vajpayee ji's most memorable achievements was his road projects; he launched the pradhan mantri sadak Yojana that connects through all the rural villages across India.

He organised the first **nuclear test** in pokhran in May 1998. Then after few weeks copying India Pakistan launched its Nuclear weapon making it the newest declared nuclear weapon. Nations like Russia & France engrave India's right to defensive nuclear power. Europe union forced a penalty on information source & technology to India.

He maintained the relationship of India with other countries. He launched sarva Shiksha abhiyan where a massive number of students across India got education for free from 6
