Alumni happily recalled their good days as a student of LPCPS. Alumni meet was a great opportunity for both passed out students and institutions to meet again. Along with the great performances of dance and music club the event had a pinch of sarcastic and funny element by the anchors. Samagam 2024 was a remarkable reunion that brought together memories and moments. One of the successful alumni Mr. Abhinav Pandey shared his experiences of work life and inspired students to work hard. He suggested students participate in extracurricular activities but also advised them not to neglect academics because of them. Abhinav Sir inspired all to dream big and work hard. He thanked his teachers for their teachings and unconditional support. Alumni meet is a great opportunity to bring together emotions and memories. It was an occasion where students gathered at their place of the past, went down the memory lane and looked forward to new interactions with new hopes. The alumni are thrilled to be back in the campus again and interact with new students. In the tapestry of our institution's history, alumni form the vibrant threads that weave together stories of success, resilience, and innovation.
