

SAMPLE OF CONFERENCES

Three-Day International Conference on Cyber Ethics and Data Protection

The Internal Quality Assurance Cell (IQAC) of Lucknow Public College of Professional Studies (LPCPS), affiliated with the University of Lucknow, successfully organized a **three-day International Conference on Cyber Ethics and Data Protection (IC-CEDP 2025)**. Held at Vinamra Khand, Gomti Nagar, Lucknow, from **May 1st to May 3rd, 2025**, the conference commenced daily at **10:00 AM**.

IC-CEDP 2025 served as a crucial platform to delve into the latest trends, best practices, and regulatory frameworks vital for safeguarding data in our increasingly digital world. The comprehensive agenda covered diverse topics, including **data privacy laws, the ethical implications of emerging technologies, robust cybersecurity strategies, and the profound impact of digital transformation on individual rights**. Through a dynamic blend of **presentations, interactive workshops, and insightful panel discussions**, the conference fostered a collaborative environment. This enabled participants to collectively explore and devise solutions to complex issues surrounding data protection and ethical cyber practices, ultimately promoting a more secure and ethically responsible digital future.

Three Days International Conference On Research And Technological Innovations IC-RTI (2024)

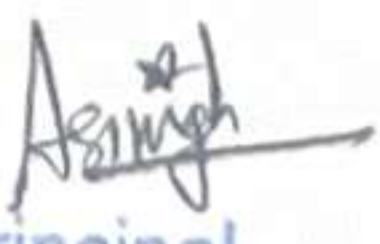

The **Three-Day International Conference on Research and Technological Innovations (IC-RTI 2024)**, organized by the Internal Quality Assurance Cell (IQAC) of **Lucknow Public College of Professional Studies (LPCPS)**, was held from **June 27–29, 2024** at the LPCPS campus in Gomti Nagar, Lucknow. Affiliated with the University of Lucknow, the event aimed to bring together researchers, academicians, and industry professionals to explore emerging advancements in research and technology.

The central theme, **“Research and Technological Advancement,”** emphasized the need to utilize modern scientific progress and technological tools to solve contemporary global challenges. The conference sought to encourage interdisciplinary dialogue, foster innovation, and identify sustainable solutions applicable across diverse fields. By offering a platform for knowledge exchange, the event aimed to inspire new ideas, strengthen collaboration, and enhance participants’ visibility within academic and industrial communities.

The conference featured several distinguished invited speakers, including **Prof. Riyaz Ahmad Khan** (University of Technology and Applied Sciences, Oman), **Dr. Shailesh Srivastava** (SHIA PG College), **Dr. Upendra Kumar** (Institute of Engineering & Technology, Lucknow), and **Ms. Bhavna Pathak** (University of Delhi and Media Literacy Expert). Their insights enriched the conference by presenting global perspectives on innovation, research methodologies, and technological trends.

Three-Day International Conference on AI Frontiers

The Internal Quality Assurance Cell (IQAC) of Lucknow Public College of Professional Studies (LPCPS), affiliated with the University of Lucknow, successfully hosted the **three-day International Conference on AI Frontiers: Shaping the Future of Technology (IC-AISFT 2024)**. The event took place at Vinamra Khand, Gomti Nagar, Lucknow, from **December 5th to December 7th, 2024**, with sessions commencing daily at **10:00 AM**.

IC-AISFT 2024 centered on how Artificial Intelligence is revolutionizing industries, augmenting human capabilities, and forging new technological frontiers. A key focus was the intersection of AI with critical societal issues such as **ethics, human rights, governance, digital transformation, and sustainability**. The conference's primary objective was to underscore AI's pivotal role in driving innovation and addressing complex global challenges. It served as a vital platform for bringing together professionals from academia, industry, government, and the non-profit sector. This diverse gathering facilitated interdisciplinary dialogue and the sharing of insights on the rapidly evolving AI landscape, covering a wide array of subjects within the field.
