Industrial Visit to SLGM Beverages (Coca-Cola)

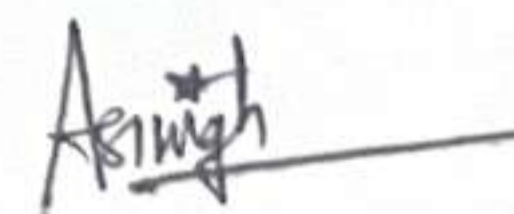

The NSS Unit of Lucknow Public College of Professional Studies (LPCPS) organized an insightful educational industrial visit to **SLGM Beverages (Coca-Cola) in Safedabad on April 16th, 2025**. The visit involved **30 students from the B. Com and B. Com (H) programs**, aiming to provide practical exposure and valuable industry insights into the operations of a prominent beverage manufacturing unit.

Students were accompanied by **NSS Programme Coordinator Dr. Ashish Kaushal (Associate Professor)**, along with faculty members **Mrs. Saloni Agarwal (Assistant Professor)**, **Ms. Rashmi Sachan (Assistant Professor)**, and **Dr. Mayank Singh (Associate Professor, LPCPS)**. During their time at the facility, students had the opportunity to observe various stages of beverage production, including **bottling, packaging, and stringent quality control processes**.

Industrial experts at SLGM Beverages guided the students through the entire facility, imparting valuable information on crucial aspects such as **operational efficiency, automation, intricate supply chain management, and sustainable practices** integrated within the Coca-Cola production system. This real-time learning experience significantly enriched the students' understanding of industrial practices, effectively complementing their academic curriculum.

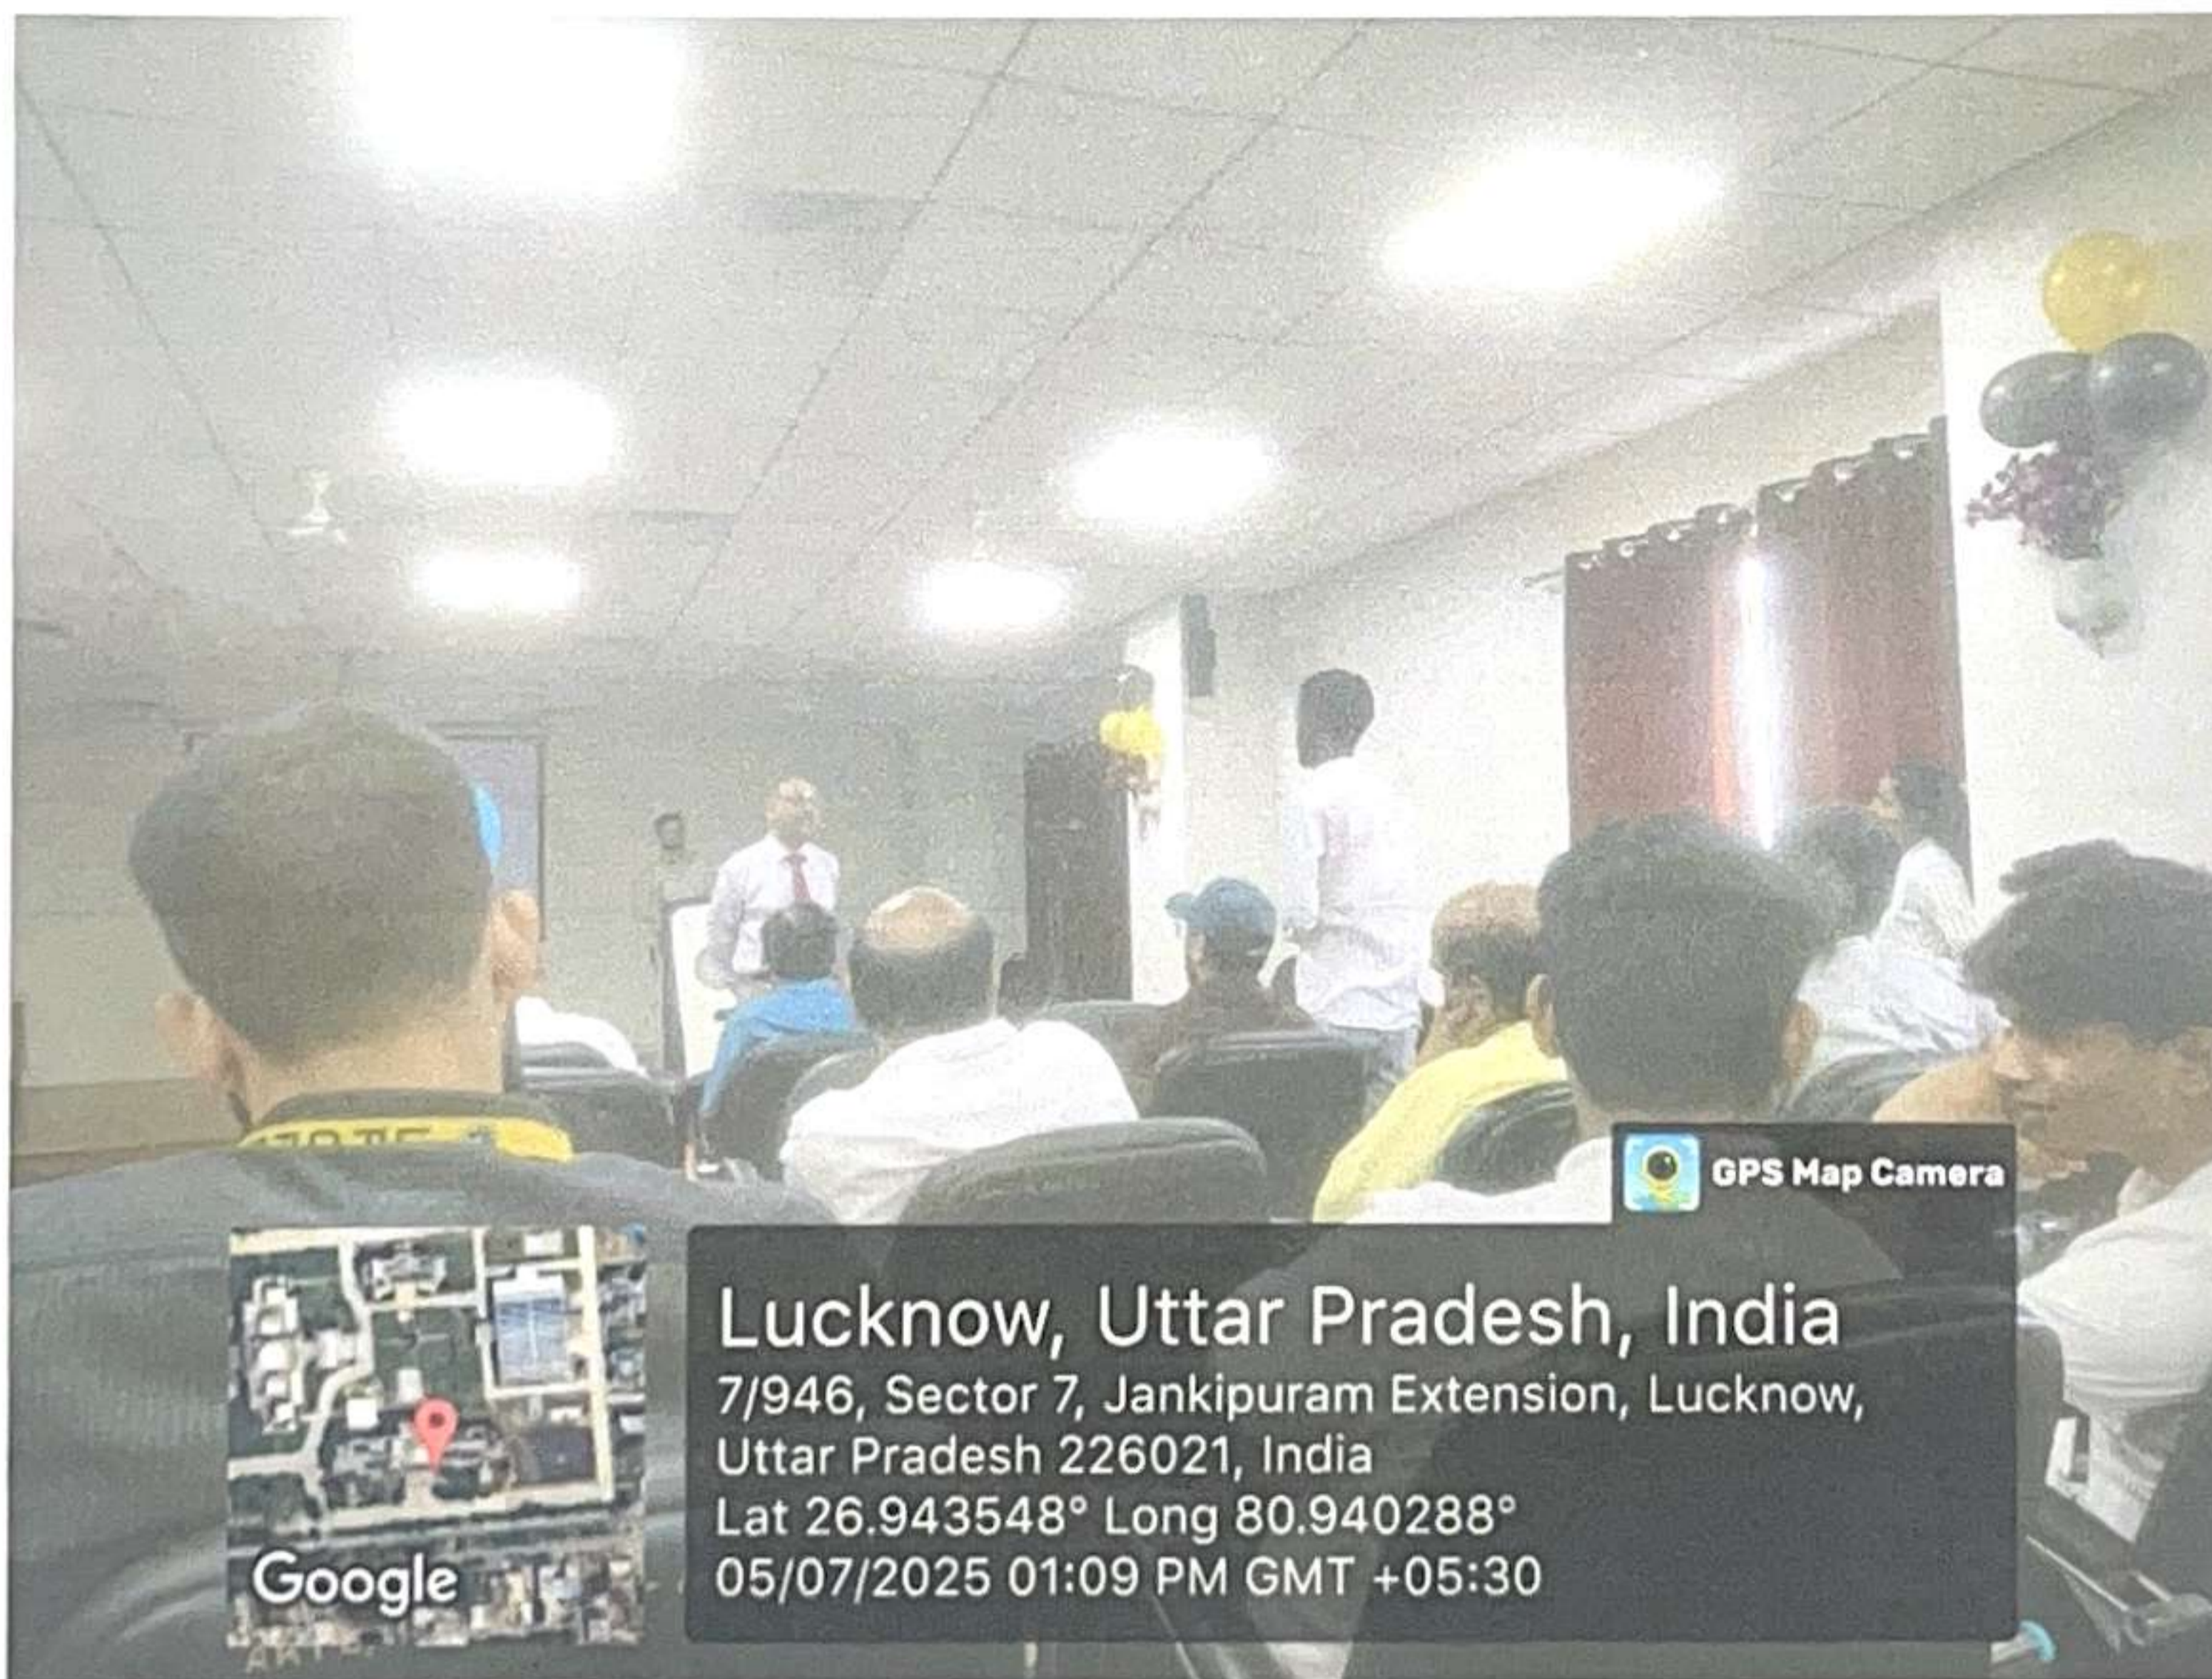

Overall, the visit proved to be highly informative and engaging, successfully bridging the gap between theoretical knowledge acquired in classrooms and its practical application in a real-world industrial setting. The NSS Unit continues its pivotal role in facilitating such meaningful learning opportunities for the holistic development of LPCPS students.

Startup Foundation AKTU (KCIISF AKTU). The visit, held on **July 5th, 2025, at 11:00 AM**, provided students with a unique opportunity to participate in an exclusive expert mentorship session titled "**Mentor Hour – Startup Team Building.**" The event took place at the Conference Hall, Centre for Advanced Studies, KCIISF AKTU, Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

This initiative by KCIISF AKTU, open to aspiring entrepreneurs, students, and startups, was specifically curated to provide critical insights into forming effective startup teams. The session aimed to equip participants with the strategic understanding required to attract, develop, and retain high-performing talent, a cornerstone for sustainable startup success.

The esteemed speaker for the session was **Captain R D Ranjan (Retd.)**, a seasoned business growth leader, certified Independent Director, and ex-Army Engineer. An alumnus of IIT Roorkee, Captain Ranjan shared his extensive experience in scaling technology ventures, building high-impact teams, and driving innovation across global markets, including top IT firms and government sectors. His expertise offered invaluable guidance to students aspiring to embark on their entrepreneurial journeys.
