**A REPORT ON THE
ONE WEEK
FACULTY DEVELOPMENT PROGRAMME**

(15 November-21 November 2021)

On

CREATING THE NEXT GENERATION EDUCATORS

AND

NATIONAL EDUCATION POLICY

(NEP 2020)

One Week Faculty Development Programme (Online and Offline mode) was organized by IQAC of Lucknow Public College of Professional Studies, from **November 15 to November 21, 2021**, on **"Creating the Next Generation Educators and National Education Policy 2020"**.

Venue: Conference Hall

Day: One

The event witnessed participation of 311 partakers, including from TECHNO. The event was organised to understand the essential elements of NEP-2020 and the role of faculty in NEP 2020. The Chief Guest of the event was Dr. Alok Ranjan, former Chief Secretary, Government of Uttar Pradesh and eminent speaker for Day One was Prof. A.K. Sen Gupta, Ex. Pro. Vice-Chancellor of University of Lucknow and mentor LPCPS. The FDP commenced with the lighting of lamp seeking the blessings of Goddess Saraswati.

Dr. L.S. Awasthi, Dean Academics LPCPS, through his Welcome Address marked the commencement of the day. Dr. Awasthi said that the COVID-19 pandemic has affected many sectors, and the NEP-2020 has brought a welcoming change in the education sector. National Educational Policy-2020 is a transformational concept. The FDP commenced with the seeking of the blessings of Goddess Saraswati. The welcome address was followed by an address by the expert speaker Mr. Alok Ranjan.

Dr. Alok Ranjan, in his address said that India has the potential to become a good destination for Higher Education. He said NEP is envisaged to help teachers modernize their teaching style and inculcate innovative and effective pedagogical practices to impart concepts and information in a meaningful and interesting way among the learners to help them learn more deeply and effectively. He particularly emphasized the importance of learning in the mother tongue, and expressed that this would ensure more confident graduates walking out of the universities.

Prof. A.K. Sen Gupta, second speaker for the day mentioned how the National Education Policy 2020 focuses on strategies needed to promote research and innovation across all disciplines. The policy exclusively lays stress on establishing stronger research culture at every level that can play a key role in students' learning, their higher education experience, improved learning and the development of general skills. The teacher can use methodologies that are research-oriented, scientific and conceptual. These teaching-learning methods involve eight steps: observation, question, hypothesis, aims, method, results (data and analysis), discussion, and conclusion. Imbibing research culture in teaching and learning will not only motivate the student for higher-order learning but will also develop an exploratory attitude that will bring a conceptual consistency in acquiring knowledge.

Day: Four

Dr. Praveen Kumar, Associate Professor, Department of B.Ed, Shri JNPG College, Lucknow was invited on day four for the 1 session to speak about National Education Policy 2020. Dr. Praveen Kumar pointed out that the policy aims in transforming curriculum and pedagogy by 2022 and universalizing the pre-primary education by 2025 thereby providing foundational literacy for all by 2025. The policy proposes three types of Higher Educational Institutions:

1. Research Universities,
2. Teaching Universities, and
3. 3. Autonomous Degree Granting Colleges.

NEP 2020 aims to provide autonomy to all higher education institutions. Higher Education Institutions (HEIs) to be governed by independent boards with complete academic and administrative autonomy..

The second session of the day was online. Invited speaker was Dr. Bachha Babu, Assistant Professor, Director of Yoga Centre & Central University, Jammu. Dr. Bachha Babu emphasized on various policies proposed in the draft with special reference to the higher education section and compared them with the previous policies. During his doubt clearing session analysis of the possible effects of NEP 2020 on private and public HEIs in terms of facilities and restrictions was done. The strength and weakness of the new policy were also identified with respect to various stakeholders and appropriate suggestions to realize the policy and make it defect free and effective from a public point of reference and for the prosperity of the country.

Day: Seven

Day-7 was earmarked exclusively to have the brainstorming session by the participants on the outcomes of the FDP and the feasibility of implementing such skills in a blended learning atmosphere. **Prof. N.K. Pandey, Department of Physics, University of Lucknow**, began the session how and why NEP 2020 is the buzzword we get to hear more often nowadays. It has not only opened up a new dimension of skill based learning for students but also imposed several challenges to its implementation in true spirit. A question that triggered the minds of many academicians is "Are we NEP ready?"

After the session all the participants received their FDP Certificates. At last Vote of Thanks was given by Dr. Vrijesh Kumar Pandey, Assistant Professor, LPCPS.

OBJECTIVES

Vision:

In a caring and positive environment LPCPS will provide education to empower our students to recognize and optimize their full potential, to achieve personal standards of excellence in academic work as well as in supportive areas of physical, cultural and social development, inculcating civic and human values.

Mission:

Firmly believing in academic excellence, intellectual integrity, development of skills and compassion to mould students to act as agents of change, the institution has evolved a set of objectives that synchronizes the Vision/ Mission Statements to the national higher education policies. In that direction it, has, as its thrust areas, promotion of quality in teaching, learning and research, encouragement of objective self-evaluation, accountability and innovation in higher education and encouraging research activities.

The institution implements the recommendations of the affiliating university and AICTE positively. Progressively introducing popular academic programmes, the institution has ensured the use of latest technology to support the vision and mission statement of the institution. The year begins with an orientation programme for all faculties, when the vision and mission of the college is reinforced to all. This not only serves as a refresher to the objectives set for the college, but brings everybody onto the same page, when it comes to driving the guiding force. The same effort is done with students too every year.

FDP (Faculty Development Programme)

The NEP 2020 is the first new education policy to be introduced in India in the 21st century, the last having been implemented in 1986, 34 years ago. The NEP, thus, replaces the National Policy on Education, 1986, which was modified once 1992. Before that, the first education policy was passed in 1968. Government of India proclaimed the new education policy 2020 (NEP-2020) to bring numerous constructive changes in education system. This NEP – 2020 aims at making "India a global knowledge superpower" to address the imbalances and to have fundamental changes in our education system. The NEP-2020 is able to change the face of future educator in India by introducing Teacher Education Programme. In the view of this scenario Lucknow Public College of Professional Studies (LPCPS) is organizing this Faculty Development Programme to bring all the academia, experts, scientists, educators, activists and building scholars representing different Universities/ Institute/Organization across the world on a single platform or the discussion, promotion and introduction of NEP 2020 and also the impact on Teacher Education system in India.
