## ABOUT THE ORGANIZING INSTITUTION:

LPCPS is one of the most coveted colleges for admission for Degree Programs in the Northern India. The institute brings together knowledge, research and industry experience in one place and confers upon its graduates, professional degrees which are recognized globally.

The professional degrees offered after the successful completion of the undergraduate programs are certified by UGC, the statutory body overseeing the running of universities and colleges in India. The degrees are affiliated to the University of Lucknow, one of the oldest government owned institutions of Indian higher education.

LPCPS boasts of having eminent personalities from Industry background as well as academia background among its board. Their experience and expertise in their respective domains was one of the main reasons why LPCPS attained its professional reputation in a short time.

Commitment to excellence is the top most priority of all the domains in the college - academia, training and skill development, placement cell, research wing, consultancy division are the most prominent among them.

The spectacular success achieved by the college in such a short time is the result of the foresight, exceptionally dynamic leadership and the able guidance of the visionary founder manager.

The highly talented and motivated team of professional educators and facilitators have made it their mission to make LPCPS one of the top most institutions in the field of professional education in the Asian continent.

LPCPS is established and managed by Lucknow Public Educational Society at Rajajipuram in the city of Lucknow. The society has made its name in the Indian subcontinent as a brand ambassador and a stalwart in the field of education. The strategic decision by the society to establish LPCPS as a sprawling campus in the posh and fast developed zone of Gomti Nagar made sure that, the teachers and students are able to enjoy the huge lush green setting and a panoramic location in a peaceful and conducive environment.

## ABOUT THE WORKSHOP:

J-Gate, an electronic gateway to global e-journal literature; is the most efficient comprehensive platform to access research information from over 55 Million journal articles (with access to 10 Million Full Text articles) coming from 49,000+ journals covering multiple subject domains from all disciplines such as; Agriculture & biological Sciences, Arts & humanities, Basic Sciences, Biomedical Sciences, Engineering & Technology, Social & Management Sciences.

It is developed and launched in 2001 by Informatics India Ltd. As a contribution to the Open Access community, Informatics initially also offered a free platform named Open J-Gate

The platform is fronted by simple, intuitive, and easy-to-use interface, and gives users complete control over search filters. J-Gate exponentially increases journal usage through its list of features and its ease of use.

This workshop will help the researchers to have a large access of journals which will help them in quality research.
