ABOUT THE WORKSHOP

Understanding Photoshop is necessary if anyone wants to operate in a visuals style, website design, or individual experience function. Yet it is additionally similarly vital to find out Photoshop for those operating in hands-on advertising and marketing functions. Adobe Photoshop is a powerful and widely-used image editing software that provides a wide range of tools and features for manipulating and enhancing digital images. This **Five Days Workshop on Multimedia (Photoshop)** will opens up a door of endless opportunities for the students of LPCPS. The, even more, students will able to discover its functions, the far better will recognize their very own capacities.
