WORLD WATER DAY

Date: 22nd March, 2023

It is known that three essential things for humans to survive on Earth are air, water, and food. More resources are increased as our population increased. It leads to the overuse and exploitation of all-natural resources. According to research, we are left with a crisis where over 600 million people are living without a pure drinking water supply to their homes.

World Water Day is observed on the 22nd of March every year. The main aim of World Water Day is to educate the importance of water to the whole world.

LPCPS organized **slogan writing competition** on the occasion of World Water Day in the library of the college in which students of different departments participated with full zeal. Around 76 students participated from different courses.

HANUMAN JANAMOTSAY FESTIVAL

Date: 6th April, 2023

Hanuman Janamotsav is a Hindu festival that celebrates the birth of the Hindu deity, and one of the protagonists of the Ramayana, Hanuman. The celebration of Hanuman Jayanti varies by time and tradition in each state of India. In most northern states of India, the festival is observed on the full-moon day of the Hindu month of Chaitra (Chaitra Purnima).

Hanuman is regarded to be an ardent devotee of Rama, an avatar of Vishnu, widely known for his unflinching devotion. He is revered as a symbol of strength and energy, and is venerated for these reasons on this occasion.

On the occasion of Hanuman Janamotsav, Lucknow Public College of Professional Studies organized a session for the students of LPCPS which was given by (Dr.) A.K. Rai (Department of Computer Science) of LPCPS. All the students and faculty members were very enthusiastic for this session and actively participated thought out this event. In this event students got awareness about Lord Hanuman and his preaching.

DR. BHIMRAO AMBEDKAR JAYANTI

Date: 13th April, 2023

Ambedkar Jayanti or Bhim Jayanti is observed on 14 April to commemorate the memory of B. R. Ambedkar, Indian politician and social reformer. It marks Ambedkar's birthday who was born on 14 April 1891. His birthday is also referred to as 'Equality Day' by some in India.

The Citizens paid tributes to Ambedkar on the occasion of his 125th birth anniversary, at Parliament House, in New Delhi on April 14, 2016.

Ambedkar's legacy as a socio-political reformer had a deep effect on modern India. He passionately believed in individual freedom and criticised caste-based society.

Ambedkar Jayanti is being observed as a public holiday throughout the country since 2015. His ideology is now being championed by several political parties.

On the occasion of Ambedkar Jayanti or Bhim Jayanti which is on 14th April 2023, Lucknow Public College of Professional Studies organized a session for the students of LPCPS which was taken by our student Mr. Neeraj Singh (department of Journalism) of LPCPS. All the students and faculty members actively participated thought out the session. In this event students got awareness about Dr Bhimrao Ambedkar.

EID-UL-FITR

Date: 20th April, 2023

Eid al-Fitr (/ˈiːd al ˈfɪtər, -trə/; Arabic: الفطر عيد, romanized: Eid al-Fitr, lit. 'Holiday of Breaking the Fast', IPA: [ʕiːd al ˈfɪtˈr]) is the earlier of the two official holidays celebrated within Islam (the other being Eid al-Adha). The religious holiday is celebrated by Muslims worldwide because it marks the end of the month-long dawn-to-sunset fasting of Ramadan. It falls on the first day of Shawwal in the Islamic calendar; this does not always fall on the same Gregorian day, as the start of any lunar Hijri month varies based on when the new moon is sighted by local religious authorities.

On the occasion of EID-UL-FITR which is on 22nd April 2023, Lucknow Public College of Professional Studies organized a session for the students of LPCPS which was taken by our student Dr Imranur Rehman (department of management) of LPCPS and by our student Mr Nawaaz Khan (B.Com 2nd semester) and Ms.Misbha (BA-JMC 6th semester). All the students and faculty members actively participated thought out the session. In this event students got awareness about EID-UL-FITR.

WORLD BOOK AND COPYRIGHT DAY

WORLD INTELLECTUAL PROPERTY DAY

Date: 26th April, 2023

World Book Day, also known as World Book and Copyright Day or International Day of the Book, is an annual event organized by the United Nations Educational, Scientific and Cultural Organization (UNESCO) to promote reading, publishing, and copyright. The first World Book Day was celebrated on 23 April in 1995, and continues to be recognized on that day.

World Intellectual Property Day is observed annually on April 26. The event was established by the World Intellectual Property Organization (WIPO) in 2000 to "raise awareness of how patents, copyright, trademarks and designs impact on daily life" and "to celebrate creativity, and the contribution made by creators and innovators to the development of economies and societies across the globe". INTERNATIONAL LABOUR DAY

Date: 1st May, 2023

Labour Day is an annual holiday to celebrate the achievements of workers. Labour Day has its origins in the labour union movement, specifically the eight-hour day movement, which advocated eight hours for work, eight hours for recreation, and eight hours for rest.

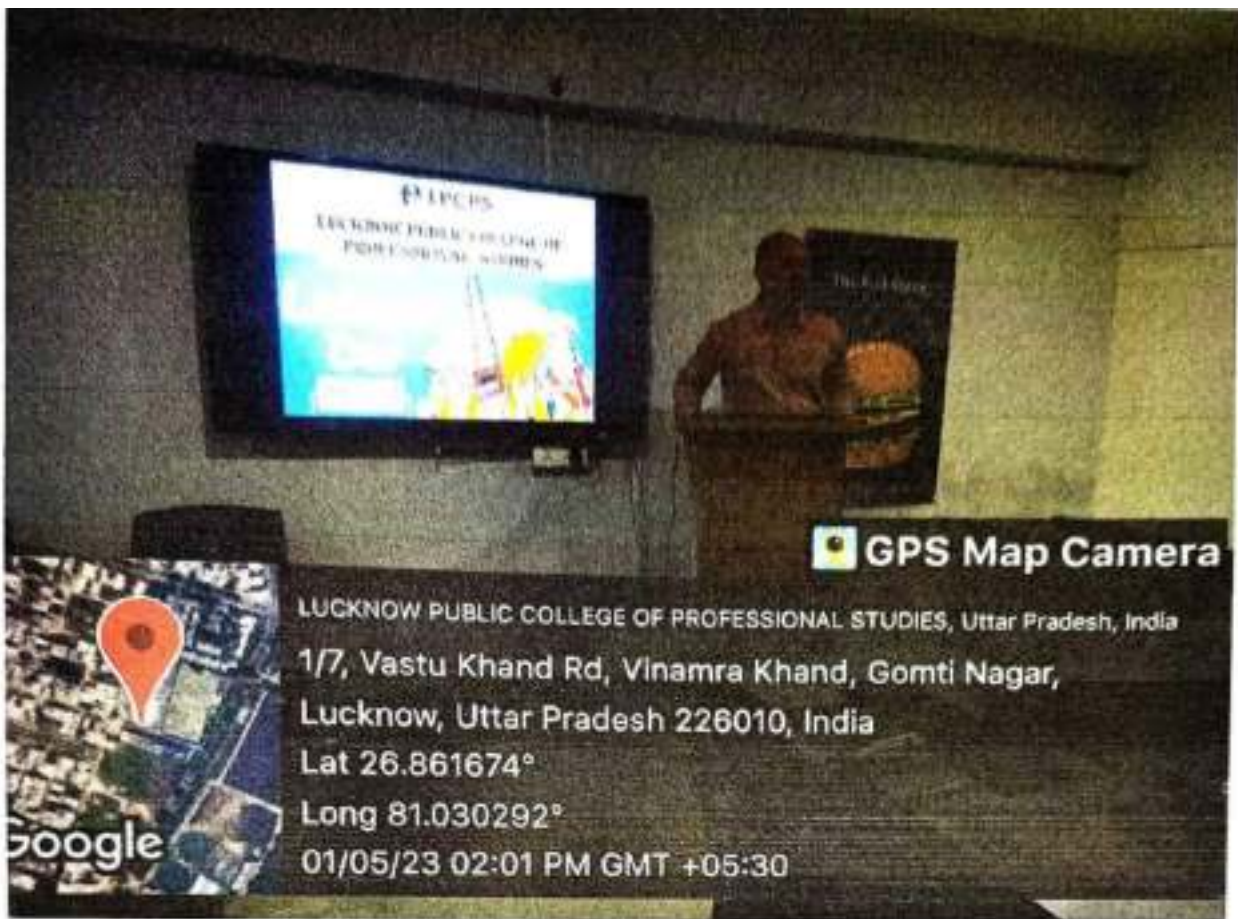

For most countries, Labour Day is synonymous with, or linked with, International Workers' Day, which occurs on 1 May. For other countries, Labour Day is celebrated on a different date, often one with special significance for the labour movement in that country.

On the occasion of International Labour Day, Lucknow Public College of Professional Studies organized a session for the students of LPCPS which was given by Mr. Shivendra Pratap Singh (Department of Commerce) of LPCPS. All the faculty members were very enthusiastic for this session and actively participated throughout this session.

WORLD NO TOBACCO DAY

Date: 31st May, 2023

World No Tobacco Day (WNTD) is observed around the world every year on 31 May. The yearly celebration informs the public on the dangers of using tobacco, the business practices of tobacco companies, what the World Health Organization (WHO) is doing to fight against the use of tobacco, and what people around the world can do to claim their right to health and healthy living and to protect future generations.

The Member States of the WHO created World No Tobacco Day in 1987 to draw global attention to the tobacco epidemic and the preventable death and disease it causes. The day is further intended to draw attention to the widespread prevalence of tobacco use and to negative health effects, which currently lead to more than 8 million deaths each year worldwide, including 1.2 million as the result of non-smokers being exposed to second-hand smoke. The day has been met with both enthusiasm and resistance around the globe from governments, public health organizations, smokers, growers, and the tobacco industry.

On the occasion of **World No Tobacco Day**, Lucknow Public College of Professional Studies organized a session for the students of LPCPS which was **Prof. (Dr.) Laxmi Shankar Awasthi (Dean Academics)** and there was a special session by **Dr. Shailesh (homeopathic)** on health awareness. All the students were very enthusiastic for this session and actively participated throughout this session.
