RAKSHABANDHAN

Date: 30th AUG, 2023

Raksha Bandhan is a popular and traditionally Hindu annual rite or ceremony that is central to a festival of the same name celebrated in South Asia. It is also celebrated in other parts of the world significantly influenced by Hindu culture. On this day, sisters of all ages tie a talisman or amulet called the *rakhi* around the wrists of their brothers.

Raksha Bandhan is observed on the last day of the Hindu lunar calendar month of Shraavana, which typically falls in August. The expression "Raksha Bandhan" (Sanskrit, literally "the bond of protection, obligation, or care") is now principally applied to this ritual.

On the occasion of **Raksha Bandhan**, Lucknow Public College of Professional Studies is organizing a "SELFIE WITH RAKHI DRIVE" in which students of different departments participated with full zeal. Around 76 students participated from different courses.

HINDI DIWAS

Date: 14th SEP, 2023

Hindi Day (Hindi: हिन्दी दिवस, romanized: hindī divas) is celebrated in India to commemorate the date 14 September 1949 on which a compromise was reached—during the drafting of the Constitution of India—on the languages that were to have official status in the Republic of India. The compromise, usually called the Munshi-Ayyangar formula, after drafting committee members K. M. Munshi and N. Gopalaswami Ayyangar, was voted by the Constituent Assembly of India after three years of debate between two opposing camps. The Hindi protagonists wanted Modern Standard Hindi register of the Hindustani language to be the sole "national language" of India.

On the occasion of Hindi Day, Lucknow Public College of Professional Studies organized a small session for the students of LPCPS which was given by Mr. Shivendra Pratap Singh, (Department of commerce). All the students were very enthusiastic for this session and actively participated thought out this event.

PARYUSHAN MAHOTSAV

Date: 30th SEP, 2023

Paryushana is the most important Jain religious observance of the year. For both Shvetambaras, who observe the festival over a period of eight days, and Digambaras, for whom Paryushana Parva lasts ten days, this is a time of intensive study, reflection, and purification. It takes place in the middle of the four-month rainy season in India, a time when the monks and nuns cease moving about from place to place and stay with a community. *Paryushan* means, literally, "abiding" or "coming together." The monks and nuns who have to maintain fixed residence during the rainy season abide with the laity and are available to them for instruction and guidance.

On the occasion of the **PARYUSHAN MAHOTSAV** Lucknow Public College of Professional Studies organized a small session for the students of LPCPS which was given Ms Sweety Jain (Department of commerce). All the students were very enthusiastic for this session and actively participated thought out this event.

WORLD AIDS DAY

Date: 1st Dec, 2023

World AIDS Day was first designated in August 1988 by James W. Bunn and Thomas Netter, to get some semblance of control over the pandemic that had claimed the lives of so many people. Both James W Bunn and Thomas Netter were public information officers for the AIDS Global Program of the World Health Organisation.

They conveyed the idea for the observation of this day to the Director of the AIDS Global Program, Dr Johnathan Mann, who approved it for December 1. Since the 1990s, research and medical practices have made significant improvement for the care of people living with HIV.

On the occasion of the World AIDS Day Lucknow Public College of Professional Studies organized a small session for the students of LPCPS which was given Mr Rohit Kapoor (Department of computers). CHRISTMAS

Date: 25th Dec, 2023

Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world.

WORLD SPARROW DAY

Date: 20th March, 2024

On March 20th, the world celebrates World Sparrow Day! This international initiative aims to raise awareness about the house sparrow, a common bird in urban environments around the world. But World Sparrow Day isn't just about sparrows; it's a call to action for the conservation of all birds that share our cities and towns.

Sparrows, particularly the house sparrow, have been facing population decline for several reasons. Habitat loss due to urbanization, pesticide use, and competition for nesting sites are all significant threats. World Sparrow Day serves as a reminder of the vital role these birds play in our ecosystem.

The occasion of the **World Sparrow Day** Lucknow Public College of Professional Studies organized sparrow day by increasing the habitats of birds by placing multiple nests within the campus.
