INTERNATIONAL WOMEN'S DAY

Date: 8th March, 2024

International Women's Day (IWD) is a holiday celebrated annually on March 8 as a focal point in the women's rights movement. IWD gives focus to issues such as gender equality, reproductive rights, and violence and abuse against women. Spurred by the universal female suffrage movement, IWD originated from labor movements in North America and Europe during the early 20th century.

On the occasion of the International Women's Day Lucknow Public College of Professional Studies organized a facilitation ceremony for the women faculty members and staff members of LPCPS which was given by Dr L.S Awasthi (Dean academics).
